Introduction

Thank you for choosing the BREAKER BAR BROWNELLS 3845 CHAMFERING KIT BREAKER BAR. This product is designed to assist in the chamfering process for universal handguns. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product for any signs of damage or wear before use.
- Store the product in a dry and safe location when not in use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the chamfering kit.
- Avoid loose clothing and jewelry that may become caught in the product during use.
- Do not use the product if you are tired, distracted, or under the influence of drugs or alcohol.
- Ensure that the workspace is clean and free from hazards before beginning work.
- Follow all manufacturer instructions for the safe operation of the product.

Instructions for Installation and Usage

1. Preparation:

- Read all instructions before beginning.
- Gather all necessary tools and materials.

2. Installation:

- Secure the chamfering kit in a stable position to prevent movement during use.
- Ensure that all components are properly assembled according to the manufacturer's instructions.

3. Usage:

- Begin by placing the firearm or component securely in a vice or stable work surface.
- Use the chamfering tool gently and steadily, applying even pressure.
- Do not force the tool; if it is not cutting easily, stop and check for obstructions or damage.
- After use, clean the tool and store it in its designated place.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.
