## Take The Blow(\$) Out Of Replacing Pin Punches

GUNSMITH REPLACEABLE PIN PUNCH SET The Brownells Gunsmith Replaceable Pin Punch Set is a versatile and durable tool designed to enhance efficiency in firearm assembly and maintenance. This innovative set features a robust handle paired with replaceable punch tips, allowing for quick replacements and minimizing downtime during gunsmithing tasks.

Description and Features: High-Strength Handle: Crafted from fatigue-proof cold rolled steel (C.R.S.) with a tensile strength exceeding 140,000 psi, the handle ensures durability and longevity. Replaceable Punch Tips: The set includes tool steel, bevel-headed punches that are oil-hardened to a Rockwell hardness of Rc 58-60, with annealed heads at Rc 42-45. These replaceable tips can be ground to exact lengths as needed, offering customization for specific tasks. Secure Grip: A removable knurled chuck securely holds the punch tips in place during use, providing stability and precision. Available Sizes: The replaceable punch tips are available in various diameters to accommodate different pin sizes commonly encountered in firearms: 0.039" 0.060" 0.091" Each size is offered in lengths of 2 inches and 2.5 inches, providing flexibility for various applications. Specifications: Handle Material: Cold rolled steel (C.R.S.) Punch Material: Tool steel Hardness: Punch tips hardened to Rc 58-60; heads annealed to Rc 42-45 Available Punch Diameters: 0.039", 0.060", 0.091" Available Punch Lengths: 2 inches, 2.5

inches Customer Insights: Our customers report that the Brownells Gunsmith Replaceable Pin Punch Set is an invaluable addition to their toolkit. The ability to quickly replace punch tips reduces downtime, and the customizable lengths allow for precise application in various gunsmithing tasks. The high-strength handle provides a comfortable and secure grip, enhancing overall efficiency and accuracy. Incorporating the Brownells Gunsmith Replaceable Pin Punch Set into your gunsmithing toolkit ensures you have a reliable and adaptable solution for pin removal and installation, streamlining your firearm maintenance and assembly processes.

# Safety Instruction Guide for the Brownells Gunsmith Replaceable Pin Punch Set

## Introduction

Thank you for choosing the Brownells Gunsmith Replaceable Pin Punch Set. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the workspace is clean and welllit before beginning any gunsmithing tasks.
- Always use the tool in accordance with the manufacturer's instructions.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the tool for any signs of damage or wear. Do not use if damaged.
- Store the tool in a dry place to prevent rust and corrosion.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the punch set.
- Use the correct punch size for the specific pin you are working with to avoid damage to the firearm or the tool.
- Ensure that the punch tip is securely held in place before striking. A loose tip can cause injury.
- Avoid using excessive force when using the punch. If resistance is encountered, reassess the situation rather than applying more force.
- Do not use the punch set for any purpose other than intended. This tool is designed specifically for pin removal and installation.
- Be aware of your surroundings and ensure that others are at a safe distance when using the punch set.

## Instructions for Installation and Usage

1. **Selecting the Punch Tip:** Choose the appropriate punch tip based on the diameter required for your task (0.039", 0.060", or 0.091").
2. **Installing the Punch Tip:**
  - Remove the knurled chuck from the handle.
  - Insert the chosen punch tip into the chuck.
  - Securely tighten the knurled chuck to hold the punch tip in place.
3. **Using the Punch Set:**
  - Position the punch tip over the pin you wish to remove or install.
  - Hold the handle firmly and strike the end of the handle with a hammer or mallet.
  - Ensure that you are striking the handle squarely to avoid damaging the punch or the firearm.
4. **Replacing Punch Tips:** When the punch tip becomes worn or damaged, follow the same steps to remove it and install a new one.

## Disposal Instructions

- Dispose of any worn or damaged punch tips responsibly. Check local regulations for guidelines on disposing of metal tools.
- If the product is no longer usable, consider recycling the metal components where facilities are available.

## **Contact Information for Further Support**

For any questions or concerns regarding the Brownells Gunsmith Replaceable Pin Punch Set, please refer to the manufacturer's website or customer service for assistance.

By following these safety guidelines and instructions, you can maximize the efficiency and safety of your gunsmithing tasks with the Brownells Gunsmith Replaceable Pin Punch Set. Thank you for your attention to safety!
