

# STARTER PUNCH SET - REPLACEABLE PINS 1" X 0.091" 6 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Punches](#)

## Keeps Those Longer Pin/Drift Punches From Self-Destructing

We are constantly encouraging you to always use starting punches to break tight pins loose - then use a "drift" or pin-punch to drive the pin the rest of the way out. This saves bending pin punches, but much more importantly, it prevents fine guns from getting pin punch mars should the pin punch bend and slip - or - break, and scratch. To bring you the best possible Starter Punches, we have had special, Short Replaceable Pins made up to fit our famous Gunsmith's Replacement Punch Set Handles. Their regular use will definitely improve your production . . . and your professionalism!

# Starter Punch Set Replaceable Pins Safety Instructions

## Introduction

Thank you for choosing the Starter Punch Set Replaceable Pins 1" X 0.091" 6 Pack. This product is designed to assist you in safely and effectively working with tight pins. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the Starter Punch Set as intended to avoid accidents or injuries.
- Ensure that the work area is clean, welllit, and free from distractions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Starter Punch Set for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use starting punches to break tight pins loose before using a drift or pinpunch.
- Avoid using excessive force, which may bend or break the pin punches.
- Ensure that you are using the correct size pin for your application to prevent damage to the workpiece or the tool.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect against flying debris.
- Do not use the Starter Punch Set for any other purpose than what it is designed for.
- If the pin punch bends or slips, stop using it immediately to prevent injury.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials.
- Ensure that the work area is clean and organized.

### 2. Using the Starter Punch Set:

- Select the appropriate size starting punch based on the pin diameter.
- Position the starting punch against the pin you wish to remove.
- Gently tap the starting punch with a hammer to break the pin loose.
- Once the pin is loosened, switch to a drift or pinpunch to drive the pin out completely.
- Always ensure a firm grip on the tool to maintain control.

### 3. After Use:

- Clean the Starter Punch Set after each use to remove any debris or residue.
- Store the Starter Punch Set in a dry place, away from moisture and extreme temperatures.

## Disposal Instructions

- Dispose of any worn or damaged punches responsibly. Follow local regulations for tool disposal.
- If the product is no longer usable, consider recycling the metal components where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the Starter Punch Set, please reach out to the manufacturer's customer support for assistance. Always ensure that you have the product details on hand when seeking support.

By following these guidelines, you can ensure a safe and effective experience with your Starter Punch Set Replaceable Pins. Thank you for your attention to safety!
