

BLACK ROLL PIN KIT - ROLL PIN REFILL 3/32" DIA., 1" (2.5CM) LENGTH 36 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

BLACK ROLL PIN KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BLACK ROLL PIN KIT. This product is designed for various applications, including gunsmithing and shop tasks. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product in accordance with manufacturer instructions.
- Ensure that the workspace is clean and free from hazards before starting.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use damaged pins.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Ensure that the work area is welllit to avoid accidents.
- Use the Roll Pin Punches to safely remove and install roll pins.
- Avoid using excessive force when installing or removing pins to prevent injury.
- Do not use the pins for applications outside their intended purpose.
- Be cautious of sharp edges and points; handle with care.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including Roll Pin Punches.
- Select the appropriate diameter and length of roll pin for your application.

2. Installation:

- Align the roll pin with the hole where it will be installed.
- Use the Roll Pin Punch to gently tap the pin into place, ensuring it is seated properly.
- Do not strike the punch too hard to avoid damaging the pin or surrounding materials.

3. Removal:

- To remove a roll pin, use the Roll Pin Punch to tap it out gently.
- Ensure that you are applying force directly on the pin to avoid damaging the surrounding area.

4. Cutting Pins:

- If you need to cut a roll pin to a specific length, use appropriate cutting tools.
- After cutting, ensure that the edges are smooth to avoid injury.

Disposal Instructions

- Dispose of any unused or damaged roll pins in accordance with local regulations.
- Do not dispose of pins in a manner that could pose a risk to others, such as leaving them in public areas.

Contact Information for Further Support

For any inquiries regarding safety, usage, or concerns about the BLACK ROLL PIN KIT, please reach out to an authorized distributor or the manufacturer. Ensure that you have the product details and any relevant information ready for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the BLACK ROLL PIN KIT. Always prioritize safety and adhere to guidelines to protect yourself and others.
