

BLACK ROLL PIN KIT - BROWNELLS ROLL PIN REFILL 3/32" DIA., 1/2" (12.7MM) LENGTH 36 PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

3/32" Dia., 1/2" (12.7mm) length Roll Pins, Qty 36

Safety Instruction Guide for BLACK ROLL PIN KIT BROWNELLS ROLL PIN REFILL 3/32" DIA., 1/2" (12.7MM) LENGTH 36 PACK

Introduction

Thank you for choosing the BLACK ROLL PIN KIT. This guide provides essential safety information and instructions for the proper use and disposal of the product, ensuring a safe experience for all users. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using roll pins.
- Inspect the product for any damage or defects before use. Do not use damaged pins.
- Report any accidents or unsafe conditions to the relevant authorities.

Specific Safety Precautions for Use

- Handle roll pins carefully to avoid injury. They can be sharp and may cause puncture wounds.
- Use the appropriate tools when installing or removing roll pins to minimize the risk of injury.
- Ensure that the work area is clean and free of clutter to prevent accidents.
- Do not use roll pins that are not compatible with your specific application or tool.
- Follow the manufacturer's instructions for the correct use of tools and roll pins.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a hammer, punch, and safety equipment.
- Ensure that the work area is welllit and organized.

2. Installation:

- Select the correct diameter and length of roll pin for your application.
- Align the roll pin with the hole in the workpiece.
- Using a punch, gently tap the roll pin into place with a hammer, ensuring it is straight and seated properly.
- Avoid excessive force, as this may damage the pin or workpiece.

3. Removal:

- To remove a roll pin, use a punch to push it out gently from the opposite side.
- If the pin is stuck, apply a small amount of penetrating oil and allow it to sit for a few minutes before attempting removal again.

4. Storage:

- Store the roll pins in a dry, cool place, away from direct sunlight and moisture.
- Keep the roll pins in their original packaging or a secure container to avoid loss or damage.

Disposal Instructions

- Dispose of any damaged or unusable roll pins in accordance with local regulations.
- Do not dispose of roll pins in regular household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BLACK ROLL PIN KIT, please refer to the manufacturer's website or customer support resources. It is important to have access to the relevant contact information for safety inquiries.

By following these guidelines and instructions, you can ensure the safe use of the BLACK ROLL PIN KIT and contribute to a safer working environment. Thank you for your attention to safety.
