

BLACK ROLL PIN KIT - ROLL PIN REFILL 3/32" DIA., 3/4" (19MM) LENGTH 36 PACK

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in black steel finish to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length; can be blued or plated. Use the Roll Pin Punches for positive, safe removal.

BLACK ROLL PIN KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the BLACK ROLL PIN KIT. This product is designed to provide a reliable solution for various applications, including gunsmithing and general shop tasks. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the BLACK ROLL PIN KIT in accordance with the manufacturer's instructions.
- Inspect the roll pins before use to ensure they are free from defects.
- Keep the product out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling the roll pins.
- Be aware of your surroundings and ensure a safe working environment free from hazards.
- Report any unsafe product conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the workpiece is securely held in place to prevent movement during installation or removal of roll pins.
- Use the Roll Pin Punches specifically designed for this product to ensure safe and effective removal.
- Do not use damaged or deformed roll pins, as they may lead to injury or equipment failure.
- Avoid excessive force when installing or removing roll pins to prevent injury or damage to the workpiece.
- When cutting roll pins to length, use appropriate tools and techniques to avoid injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the BLACK ROLL PIN KIT and Roll Pin Punches.
- Ensure your workspace is clean and welllit.

2. Installation of Roll Pins:

- Select the appropriate diameter and length of roll pin for your application.
- Align the roll pin with the holes in the workpiece.
- Use the Roll Pin Punch to gently tap the roll pin into place, ensuring it is seated properly.

3. Removal of Roll Pins:

- To remove a roll pin, position the Roll Pin Punch over the pin.
- Gently tap the punch with a hammer to drive the pin out of the hole.
- Inspect the roll pin after removal for any signs of damage.

4. Cutting Roll Pins:

- If necessary, roll pins can be cut to the desired length using appropriate cutting tools.
- Ensure the cut is clean and does not leave sharp edges.

Disposal Instructions

- Dispose of any damaged or unused roll pins in accordance with local regulations.

- Do not dispose of roll pins in regular household waste if they are considered hazardous.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BLACK ROLL PIN KIT, please refer to the manufacturer's website or contact their customer support for assistance. It is important to ensure that you have access to accurate information and support for the safe use of this product.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the BLACK ROLL PIN KIT.
