

# SIGHT BASE SCREW KIT - 10-32 PLUG SCREW REFILL 12 PACK

[Gunsmith Tools & Supplies](#) > [Small Hardware](#) > [Metal Screws](#)

## Slotted-Head Screws For All Scope & Sight Mounting Jobs

This Kit has been extremely popular with our customers for many years. The gunsmiths and dealers who do any type of sight work have found that they do not like to be without it. The slotted-head screws included in the kit cover at least 99% of all scope and iron sight mounting requirements. The Screw Kit is packed in a plastic box and contains 12 each of the most popular 18 screw sizes needed when working with scopes or sights. It also has a pair of chrome-plated tweezers with flat jaws for easily picking up the right screw and our handy, Checker/Shortener Jig that makes grinding screws to the right length fast and easy. The screws are made of high strength, forged tool steel, feature slotted-heads and are tempered and blued to rigid specifications. We suggest that should a screw need to be cut and fitted, it should be treated with rust-prohibitive OXPHO-BLUE™ before it is used to give it a highly rust-resistant, tough, blue coat to make your job look and wear better. The kit is available to you at a very substantial savings over the cost of buying the screws singly. It is an opportunity to have just the right, hard-to-find sight base screw when you need it, for only a minimal cost ... an advantage that will pay for itself time after time in repair or installation jobs.

## Attributes

# SIGHT BASE SCREW KIT 1032 PLUG SCREW REFILL 12 PACK Safety Instruction Guide

## Introduction

Thank you for choosing the SIGHT BASE SCREW KIT 1032 PLUG SCREW REFILL 12 PACK. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the kit.

## General Safety Guidelines

- Always ensure that the work area is clean and welllit before starting any installation or repair work.
- Use personal protective equipment (PPE) such as safety glasses and gloves to protect yourself from potential hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the product for any signs of damage or wear before use. If damaged, do not use and dispose of the product responsibly.
- Follow all local regulations regarding product disposal and safety.

## Specific Safety Precautions for Use

### • Screw Handling:

- Always handle screws with care to avoid injury. Use tweezers provided in the kit for better grip.
- Do not attempt to cut or modify screws without proper tools and safety measures in place.

### • Installation Precautions:

- Ensure that the screws are compatible with the sight or scope being mounted.
- Do not overtighten screws as this may lead to stripping or damaging the mounting surface.

### • Chemical Safety:

- When using OXPHOBLUE™ or any rustprohibitive treatment, follow the manufacturer's instructions carefully.
- Use in a wellventilated area and avoid skin contact. If contact occurs, wash the area with soap and water immediately.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools including the SIGHT BASE SCREW KIT, tweezers, and any other tools required for your specific installation.
- Ensure that the sight or scope is clean and free from debris.

### 2. Selecting the Right Screw:

- Identify the correct screw size needed for your installation. Refer to the included metric equivalents for guidance.
- Use the tweezers to carefully pick up the selected screw.

### 3. Installation:

- Align the sight or scope with the mounting surface.
- Insert the screw into the predrilled hole and gently turn it clockwise using a screwdriver.
- Tighten the screw until secure, but avoid overtightening.

#### **4. Finishing Up:**

- Once all screws are installed, doublecheck each one to ensure they are secure.
- If any screws need to be cut, use the Checker/Shortener Jig provided in the kit for precise length adjustments.

## **Disposal Instructions**

- Dispose of any unused screws and packaging in compliance with local waste disposal regulations.
- Do not dispose of screws in regular household waste. Check if there are designated recycling points for metal products in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the SIGHT BASE SCREW KIT, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website for more details.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your SIGHT BASE SCREW KIT 1032 PLUG SCREW REFILL 12 PACK. Thank you for your attention to safety!
