# Safety Instruction Guide for Unplated Steel Flat Head Wood Screw Kit

## Introduction

Thank you for choosing the Unplated Steel Flat Head Wood Screw Kit by Brownells. This guide is designed to provide you with essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children to prevent accidents.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Sharp edges may be present on screws; handle with care to avoid cuts.
- Improper use may result in injury; ensure screws are used with compatible materials.

- **Avoiding Hazards:**

- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling screws.
- Ensure that the work area is clean and free from obstructions to prevent trips and falls.
- Do not use screws on materials for which they are not designed; always verify compatibility.

- **Age Specific Warnings:**

- This product is not suitable for children. Keep out of reach of minors.

## Instructions for Installation and Usage

- **Preparation:**

- Gather all necessary tools, including a screwdriver that fits the screw head.
- Select the appropriate screw size for your project. Refer to the kit contents for available sizes.

- **Installation:**

- Pre-drill a pilot hole if necessary to prevent wood splitting.
- Align the screw with the pilot hole and insert it using the screwdriver.
- Turn the screw clockwise until it is securely fastened. Do not overtighten, as this may damage the material.

- **Usage:**

- Use screws only for securing wood materials; do not use for metal or other materials unless

specified.

- If the screw becomes stripped or damaged during use, remove it carefully and replace it with a new screw from the kit.

## **Disposal Instructions**

- Dispose of any unused screws and packaging materials in accordance with local waste disposal regulations.
- Do not dispose of screws in regular household waste if they are damaged or sharp; use designated hazardous waste disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please contact the manufacturer directly. Ensure you have the product details ready for efficient assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your Unplated Steel Flat Head Wood Screw Kit.
