

SCREW HOLDER GIZZIE™ - SCREW HOLDER GIZZIE

[Gunsmith Tools & Supplies](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Wheels](#)

No More Burned Fingers Or Lost Screws

Locks screws into place while you grind them off to length, file them down or shape the point. Saves untold hours spent looking for the screw the wheel flipped under the grinder, down the exhaust port or across the shop. Holes are for 6-48 and 8-40, but take most smaller and "in-between" sizes.

SCREW HOLDER GIZZIE™ Safety Instructions

Introduction

Thank you for choosing the SCREW HOLDER GIZZIE™. This product is designed to securely hold screws in place while you grind, file, or shape them. It saves time and reduces the risk of losing screws during your work. Please read and follow these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always read the instructions before using the SCREW HOLDER GIZZIE™.
- Ensure that the work area is clean and free from clutter.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when using power tools.
- Ensure that the screws are securely locked in place before starting any grinding or filing.
- Do not exceed the recommended screw sizes (648 and 840) as indicated.
- Avoid contact with moving parts while the grinder or tool is in operation.
- Do not attempt to modify the SCREW HOLDER GIZZIE™ in any way.
- If you experience any difficulties during use, stop immediately and refer to the instructions.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Ensure that the grinding tool is turned off and unplugged before installation.

2. Installation:

- Insert the screw into the appropriate hole of the SCREW HOLDER GIZZIE™.
- Ensure that the screw is securely locked in place by turning the locking mechanism.

3. Usage:

- Position the SCREW HOLDER GIZZIE™ securely on your work surface.
- Turn on the grinder and carefully grind or file the screw to the desired length or shape.
- Monitor the process closely to ensure that the screw remains securely held.

4. PostUse:

- Turn off and unplug the grinder after use.
- Carefully remove the SCREW HOLDER GIZZIE™ from the work surface.
- Clean the product and store it in a safe place for future use.

Disposal Instructions

- Dispose of the SCREW HOLDER GIZZIE™ in accordance with local regulations.
- Do not dispose of the product in general household waste.
- Consider recycling options if available.

Contact Information for Further Support

For any inquiries related to safety, usage, or product support, please consult the manufacturer's website or customer service. It is important to have access to reliable support for any issues you may encounter.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the SCREW HOLDER GIZZIE™.
