

ENGINE TURNING KIT - DELUXE ENGINE TURNING KIT

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Jewelling Tools & Accessories](#)

Save & Get Everything You Need

Two money saving kits that have everything needed to produce an attractive, jeweled finish on hammers, triggers, rifle bolts, etc. Select the kit that best meets your needs and save the time and cost of buying individual pieces. The Standard Kit contains two of our E/T Brush sets and a container of 120 grit silicon carbide abrasive; the Deluxe Kit adds our E/T Brush Holder Assembly that gives just the right amount of brush pressure against the work piece. Use the Standard Kit if you primarily work on flat surfaces. The Deluxe Kit produces a great finish on flat or curved surfaces. To get the best results, the kits should be used in a drill press.

Safety Instruction Guide for ENGINE TURNING KIT DELUXE

Introduction

Thank you for choosing the ENGINE TURNING KIT DELUXE. This guide provides essential safety instructions to ensure your safe and effective use of the product. Please read this guide carefully before using the kit.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves while using the kit.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect the kit before each use to ensure all components are in good condition and free from damage.
- Do not use the kit if any part is damaged or missing.
- Follow all local regulations regarding the use and disposal of abrasive materials.

Specific Safety Precautions for Use

- Always use the ENGINE TURNING KIT DELUXE in a wellventilated area to avoid inhaling dust and fumes.
- Use the kit only with a drill press to ensure stability and control during operation.
- Avoid direct contact with the abrasive materials; they can cause skin irritation.
- Do not exceed the recommended operating speeds for your drill press.
- Ensure that the workpiece is securely clamped before starting the operation.
- Keep hands and other body parts away from moving parts during operation.
- If you experience any discomfort or adverse effects while using the kit, stop immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Gather all components from the kit: twelve E/T brushes, 24 Orings, two 4" lengths of heat shrink tubing, one 4 oz. container of 120 grit Silicon Carbide Abrasive, a 1 oz. bottle of DoDrill, and the E/T Brush Holder.
- Ensure your drill press is clean and in good working order.

2. Assembly:

- Attach the E/T Brush Holder Assembly to the drill press according to the manufacturer's instructions.
- Insert the E/T brushes into the holder, ensuring they are secure.

3. Usage:

- Select the appropriate E/T brush for your workpiece.
- Apply a small amount of DoDrill to the brush to enhance performance.
- Set the drill press to a low speed to begin, gradually increasing as needed for the desired finish.
- Maintain consistent pressure against the workpiece, adjusting as necessary for flat or curved surfaces.
- After finishing, clean the workpiece to remove any residue.

4. PostUse Care:

- Disconnect the drill press and clean all components of the kit after use.
- Store the kit in a dry, cool place out of direct sunlight.

Disposal Instructions

- Dispose of any unused abrasive materials and contaminated PPE according to local regulations.
- Do not dispose of the kit in regular household waste. Check with your local waste management authority for proper disposal methods.
- Recycle components whenever possible.

Contact Information for Further Support

For any questions, concerns, or to report unsafe products, please contact your local consumer safety authority or visit the EU Safety Gate platform for updates and information.

By following these safety instructions, you can ensure a safe and effective experience with the ENGINE TURNING KIT DELUXE. Always prioritize safety and responsible usage. Thank you for your attention to these important guidelines.
