# Safety Instruction Guide for 1911 AUTO OVERSIZED STOCK BUSHINGS & TAP

## Introduction

Thank you for choosing the 1911 AUTO OVERSIZED STOCK BUSHINGS & TAP from BROWNELLS. This product is designed to enhance the performance of your 1911 firearm. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or defects before use.
- Use the product only for its intended purpose.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the bushings.
- Wear appropriate safety gear, including eye protection, when handling tools and firearms.
- Do not force the bushings into place; use the appropriate tools to ensure a proper fit.
- Avoid contact with chemicals or solvents that may damage the bushings or tap.
- Store the product in a dry, cool place to prevent corrosion or damage.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including the tap and bushings.
- Ensure that your workspace is clean and welllit.

### 2. Installation of Bushings

- Verify that the firearm is unloaded and in a safe condition.
- Remove the existing bushings from the firearm using the appropriate tools.
- Clean the bushing holes to remove any debris or old lubricant.
- Select the appropriate oversized bushing and align it with the hole.
- Gently insert the bushing into place, ensuring it is seated correctly.
- Repeat the process for all bushings.

### 3. Using the Tap

- Insert the tap into the bushing hole and turn it gently to create threads.
- Apply a light lubricant to the tap to ease the cutting process.
- Turn the tap clockwise until it cuts through the material.
- Remove the tap and clean the area to remove any metal shavings.

### 4. Final Checks

- Inspect the installation to ensure all bushings are secure.
- Perform a function check on the firearm to ensure proper operation.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the product becomes damaged or unusable, dispose of it in a way that prevents harm to the environment.
- Consider recycling metal components where facilities are available.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of this product, please reach out to the designated EUbased contact point provided by the manufacturer. Ensure you have the product details ready for assistance.

By following the guidelines in this instruction manual, you can ensure safe and effective use of the 1911 AUTO OVERSIZED STOCK BUSHINGS & TAP. Thank you for prioritizing safety and compliance with EU regulations.
