# Safety Instruction Guide for SOCKET HEAD SCOPE RING & BASE SCREW KIT

## Introduction

Thank you for purchasing the SOCKET HEAD SCOPE RING & BASE SCREW KIT. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before using the product to understand the necessary precautions and proper usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the screws for any signs of wear or damage before use.
- Do not use damaged screws; replace them immediately to prevent accidents.
- Follow all local regulations regarding the disposal of metal products.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as goggles and gloves, when handling screws and tools.
- Be cautious of sharp edges on screws and tools to avoid cuts and injuries.
- Ensure that the workspace is clean and free from hazards to prevent accidents during installation.
- If using power tools for installation, follow the manufacturer's safety instructions for those tools.
- Avoid overtightening screws, as this may lead to stripping or breaking.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a screwdriver compatible with the 3/32" socket.
- Ensure you have a clean and welllit workspace.

### 2. Selecting the Right Screw:

- Choose the appropriate screw size and type from the kit based on your specific installation needs.
- Refer to the included chart for guidance on which screws fit various bases, rings, and sights.

### 3. Installation Process:

- Align the screw with the predrilled hole in the base or ring.
- Insert the screw and tighten it using the screwdriver, ensuring it is secure but not overtightened.
- If necessary, use the Checker/Shortener Jig to cut screws to the desired length for custom fitting.

### 4. PostInstallation Check:

- After installation, check that all screws are tight and secure.
- Inspect the assembly for any signs of misalignment or instability.

## Disposal Instructions

- Dispose of any unused or damaged screws in accordance with local regulations for metal waste.
- Do not dispose of screws in regular household waste; check for metal recycling options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the SOCKET HEAD SCOPE RING & BASE SCREW KIT, please refer to the manufacturer's contact details provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and effective experience with your SOCKET HEAD SCOPE RING & BASE SCREW KIT. Thank you for your attention to safety.
