90° Muzzle Facing Cutter & Steel Pilot Safety Instructions

Introduction

Thank you for purchasing the 90° Muzzle Facing Cutter & Steel Pilot from Brownells. This product is designed for precision muzzle facing in firearms. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the cutter and pilot out of reach of children and vulnerable individuals.
- Regularly inspect the cutter and pilot for any signs of wear or damage before use.
- Ensure you are using the product in a welllit and safe environment.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the cutter.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Sharp edges: The cutter blade is sharp and can cause cuts or lacerations.
 - Heavy components: The cutter and pilot are made from steel and can cause injury if dropped.
- **Avoiding Hazards:**
 - Handle the cutter and pilot with care to prevent cuts.
 - Use the cutter only for its intended purpose to avoid accidents.
 - Do not modify the cutter or pilot in any way.
- **Age Restrictions:**
 - This product is intended for use by adults or under adult supervision. It is not suitable for children.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before starting any work.
- Gather all necessary tools and safety equipment.

2. Installation:

- Attach the steel pilot securely to the cutter as per the manufacturer's guidelines.
- Ensure that the cutter is inserted correctly and fastened to avoid any movement during use.

3. Usage:

- Position the cutter at a 90° angle to the muzzle.
- Apply even pressure while rotating the cutter to achieve a clean cut.
- Do not force the cutter; let the tool do the work.
- Regularly check the progress and adjust your technique as necessary.

4. PostUse Care:

- Clean the cutter and pilot after use to remove any debris.
- Store the cutter and pilot in a safe location, preferably in the provided polypropylene box.

Disposal Instructions

- Dispose of the cutter and pilot in accordance with local regulations.
- Do not dispose of in regular household waste if the items are damaged or worn.
- Consider recycling materials where applicable.
