

90° MUZZLE FACING CUTTER & STEEL PILOT - BROWNELLS 90° CUTTER & STEEL PILOT FITS .22 CENTERFIRE MUZZLE

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

Face Off & Square Up Rifle & Handgun Muzzles

Hardened steel, 90° facing cutter squares a muzzle after shortening; or use to repair dings and damage. Includes a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Safety Instruction Guide for 90° MUZZLE FACING CUTTER & STEEL PILOT

Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Steel Pilot from Brownells. This tool is designed for precision muzzle chamfering and is suitable for .22 centerfire firearms. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

General Safety Guidelines

- Always read and follow the manufacturer's instructions before using the product.
- Ensure that the tool is used only for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage before use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Ensure a clean and well-lit workspace to avoid accidents.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Handle the cutter with care to avoid cuts or injuries.
- Ensure that the cutter is securely attached to the handle before use.
- Do not apply excessive force while using the cutter.
- Keep hands and other body parts away from the cutting area during operation.
- Use the cutter only on appropriate materials as specified in the product description.
- If you experience any discomfort or unusual resistance while using the tool, stop immediately and inspect the tool.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials and tools before starting.
- Ensure that the workspace is clean and organized.

2. Installation:

- Attach the hardened steel cutter to the aluminum handle.
- Ensure that the cutter is securely fastened and aligned properly.

3. Usage:

- Position the muzzle of the firearm securely.
- Align the cutter with the muzzle, ensuring it is perpendicular.
- Apply gentle pressure while turning the handle to chamfer the muzzle.
- Check the progress regularly to avoid overcutting.
- Once finished, carefully remove the cutter from the muzzle.

4. PostUse:

- Clean the cutter and handle after use to remove any debris.
- Store the tool in a safe, dry place, preferably in the provided polypropylene box.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the tool in regular household waste if it is damaged or broken.
- Consider recycling the materials where possible, especially metal components.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please contact the manufacturer or your local distributor. Ensure you have the product details ready for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the 90° Muzzle Facing Cutter & Steel Pilot. Thank you for your attention to safety and proper usage.
