

## **90° MUZZLE FACING CUTTER & STEEL PILOT - 90° CUTTER & STEEL PILOT FITS .32 MUZZLE**

[Gunsmith Tools & Supplies](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

### **Face Off & Square Up Rifle & Handgun Muzzles**

Hardened steel, 90° facing cutter squares a muzzle after shortening; or use to repair dings and damage. Includes a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

# Safety Instruction Guide for 90° MUZZLE FACING CUTTER & STEEL PILOT

## Introduction

Thank you for choosing the 90° MUZZLE FACING CUTTER & STEEL PILOT. This tool is designed to square a muzzle after shortening or to repair dings and damage. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the cutter.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage or wear before each use. Do not use if damaged.
- Store the cutter and pilots in a secure location when not in use to prevent unauthorized access.
- Report any unsafe product incidents or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the cutter only for its intended purpose: facing and repairing muzzles.
- Ensure the work area is clean and free from distractions.
- Do not exceed the maximum diameter or length specifications provided in the product details.
- Always secure the muzzle or workpiece firmly before cutting.
- Avoid direct contact with the cutting edge to prevent injuries.
- Be cautious of sharp edges and points; handle the tool with care.
- Do not attempt to modify or alter the cutter or pilots.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary materials and tools.
- Ensure you are wearing appropriate PPE.

### 2. Installing the Pilot

- Select the appropriate pilot for your caliber.
- Insert the pilot into the cutter until it is securely in place.

### 3. Using the Cutter

- Secure the muzzle or workpiece in a stable position.
- Align the cutter with the muzzle.
- Apply steady pressure while cutting, ensuring the cutter remains perpendicular to the workpiece.
- Avoid excessive force to prevent tool damage or injury.

### 4. PostUse Care

- Clean the cutter and pilot after use to remove debris.
- Store the cutter and pilots in the provided polypropylene box to prevent damage.

## **Disposal Instructions**

- Dispose of the cutter and pilots in accordance with local regulations for metal waste.
- Do not dispose of the tool in regular household waste.
- Ensure that any damaged tools are disposed of safely to avoid injury.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the 90° MUZZLE FACING CUTTER & STEEL PILOT, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority.
