

## **90° MUZZLE FACING CUTTER & STEEL PILOT - BROWNELLS 90° CUTTER & STEEL PILOT FITS 8MM MUZZLE**

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

### **Face Off & Square Up Rifle & Handgun Muzzles**

Hardened steel, 90° facing cutter squares a muzzle after shortening; or use to repair dings and damage. Includes a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

# Safety Instruction Guide for 90° Muzzle Facing Cutter & Steel Pilot

## Introduction

Thank you for purchasing the 90° Muzzle Facing Cutter & Steel Pilot from Brownells. This tool is designed to assist you in muzzle facing and repair tasks. To ensure safe and effective use, please read and follow the safety guidelines and instructions provided in this manual.

## General Safety Guidelines

- Ensure that you are using this tool in a safe environment, free from distractions and hazards.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against potential injuries.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use to ensure it is in good working condition.
- Do not use the tool for purposes other than those specified in this guide.
- In case of any accidents or unsafe product experiences, report them to the relevant authorities.

## Specific Safety Precautions for Use

- Always use the cutter with the handle securely attached to prevent accidents.
- Use the cutter only on materials for which it is intended (e.g., metal muzzles).
- Avoid placing your hands near the cutting area while in use to prevent cuts and injuries.
- Ensure that the pilot is properly aligned before use to maintain cutting accuracy.
- Do not attempt to modify or alter the tool in any way.
- Follow the specific instructions for the caliber you are working with to avoid misuse.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the cutter, handle, and pilot.
- Ensure your workspace is clean and organized.

### 2. Attaching the Handle:

- Securely attach the handle to the cutter. Ensure it is tightly fastened to prevent any movement during use.

### 3. Selecting the Pilot:

- Choose the appropriate pilot for the caliber you are working with.
- Insert the pilot into the cutter and ensure it is properly aligned.

### 4. Using the Cutter:

- Place the cutter against the muzzle you wish to face.
- Apply steady pressure while rotating the cutter in a clockwise direction.
- Maintain a firm grip on the handle, keeping your hands clear of the cutting area.

### 5. PostUse Care:

- After use, clean the cutter and pilot to remove any debris or residue.

- Store the tool in its polypropylene box to protect it from damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the cutter or pilot in regular household waste. Instead, consider recycling options if available.
- Ensure that any worn or damaged parts are disposed of safely to prevent injury to others.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of this product, please refer to the contact information provided by your retailer or manufacturer. It is important to reach out for assistance if you encounter any issues or need clarification on safe usage practices.

Thank you for your attention to these safety instructions. Your cooperation in following these guidelines will help ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Steel Pilot.
