

## **90° MUZZLE FACING CUTTER & STEEL PILOT - 90° CUTTER & STEEL PILOT FITS .40/10MM MUZZLE**

[Gunsmith Tools & Supplies](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

### **Face Off & Square Up Rifle & Handgun Muzzles**

Hardened steel, 90° facing cutter squares a muzzle after shortening; or use to repair dings and damage. Includes a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

# Safety Instruction Guide for 90° Muzzle Facing Cutter & Steel Pilot

## Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Steel Pilot designed for use with .40/10MM muzzle. This guide provides essential safety instructions and usage information to ensure your safety and the effective operation of the product. Please read and follow these instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle tools with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the cutter.
- Do not use the cutter if you are tired or under the influence of substances that may impair your judgment.

## Specific Safety Precautions for Use

- **Cutting Hazard:** The cutter has sharp edges. Always point the cutter away from your body and others when in use.
- **Pilot Alignment:** Ensure the pilot is properly aligned before cutting to avoid accidents.
- **Work Area:** Use the cutter in a welllit and stable work area. Ensure the surface is clean and free of clutter.
- **Storage:** Store the cutter and pilots in the provided polypropylene box when not in use to prevent damage and injury.
- **Repairs:** If the cutter or pilot becomes damaged, discontinue use immediately and replace with a new one.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials.
- Ensure the work area is clean and organized.

### 2. Installing the Pilot:

- Select the appropriate pilot for your caliber.
- Insert the pilot into the cutter until it is securely in place.

### 3. Using the Cutter:

- Hold the cutter firmly by the handle.
- Position the muzzle to be cut at the desired angle.
- Apply even pressure while rotating the cutter to square the muzzle.
- Do not force the cutter; let it do the work.

### 4. PostUse Care:

- Clean the cutter and pilot after use to remove any debris.

- Store the cutter and pilot in the polypropylene box.

## **Disposal Instructions**

- Dispose of the product and any damaged parts in accordance with local regulations.
- Do not dispose of the cutter or pilots in regular household waste if they are damaged.
- Recycle materials where possible, following your local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the 90° Muzzle Facing Cutter & Steel Pilot, please refer to the manufacturer's contact information provided with your product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Steel Pilot. Always prioritize safety and do not hesitate to seek assistance if you have any questions about the product's use. Thank you for your attention to these important guidelines.
