# Safety Instruction Guide for 90° Muzzle Facing Cutter & Steel Pilot

## Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Steel Pilot by Brownells. This tool is designed to help you square a muzzle after shortening or to repair dings and damage. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure the working area is clean and welllit to avoid accidents.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of wear or damage before use.
- If you experience any issues during use, stop immediately and consult a professional.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, to protect against debris and sharp edges.
- Ensure the cutter is securely attached to the pilot before use to prevent accidents.
- Do not apply excessive force while using the cutter; let the tool do the work.
- Always maintain a firm grip on the tool and ensure your hands are clear of the cutting area.
- Store the cutter and pilot in the provided polypropylene box when not in use to prevent damage and ensure safety.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary materials, including the cutter, pilot, and a handle.
- Ensure the muzzle is clean and free from any obstructions.

### 2. Installing the Pilot

- Choose the appropriate pilot for your caliber and insert it into the cutter.
- Ensure it is firmly seated and properly aligned.

### 3. Using the Cutter

- Position the cutter at a 90° angle to the muzzle.
- Apply light pressure while turning the handle clockwise.
- Continue until the muzzle is squared to your satisfaction.
- If repairing damage, carefully assess the area before proceeding.

### 4. PostUse Care

- Clean the cutter and pilot after use to remove any debris.
- Inspect for any signs of wear and replace parts as necessary.
- Store the cutter and pilot in the polypropylene box provided.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling options for metal components.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the 90° Muzzle Facing Cutter & Steel Pilot, please consult the manufacturer's website or customer service.

By following these safety instructions, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Steel Pilot. Thank you for your attention to safety!
