

## **90° MUZZLE FACING CUTTER & STEEL PILOT - BROWNELLS 90° CUTTER & STEEL PILOT FITS .50 S&W MUZZLE**

[Gunsmith Tools](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

### **Face Off & Square Up Rifle & Handgun Muzzles**

Hardened steel, 90° facing cutter squares a muzzle after shortening; or use to repair dings and damage. Includes a handle and one pilot, all in a polypropylene box. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

# Safety Instruction Guide for 90° Muzzle Facing Cutter & Steel Pilot

## Introduction

Thank you for purchasing the 90° Muzzle Facing Cutter & Steel Pilot by Brownells. This tool is designed to square a muzzle after shortening or to repair dings and damage. Please follow these safety instructions carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the tool for any damage or wear before each use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Store the tool in a safe and dry place when not in use.

## Specific Safety Precautions for Use

- Ensure that the work area is clean and free of obstructions.
- Do not use the cutter on materials other than those specified in the product description.
- Avoid applying excessive force when using the cutter to prevent tool damage or personal injury.
- Be cautious of sharp edges and points when handling the cutter and pilot.
- If the cutter becomes dull or damaged, replace it immediately.
- Do not attempt to modify or alter the tool in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure all components are present: cutter, handle, and pilot.
- Select the appropriate pilot for the caliber you are working with.

### 2. Installation:

- Attach the pilot to the cutter securely.
- Ensure the pilot is aligned correctly to maintain proper cutting angles.

### 3. Usage:

- Hold the cutter firmly by the handle.
- Position the cutter against the muzzle to be squared.
- Apply gentle, even pressure while rotating the cutter to achieve a square finish.
- Check the progress frequently to avoid overcutting.

### 4. After Use:

- Clean the cutter and pilot after each use to remove debris and prevent rust.
- Store the tool in the provided polypropylene box to protect it from damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the product or safety instructions, please refer to the manufacturer's contact details provided with your purchase.

Thank you for your attention to these safety guidelines. Enjoy using your 90° Muzzle Facing Cutter & Steel Pilot safely and effectively!
