### **Cleans Up Barrel & Receiver Threads For Fast, Easy Installation**

Clean and chase dinged or imperfect threads. Real lifesavers for any rebarreling job, especially good when installing any of our "no-lathe", pre-threaded barrels. Thanks to Walt Warren for his suggestion.

# Safety Instruction Guide for BARREL/RECEIVER DIES BROWNELLS BARREL/RCVR DIE 2 DIA. 1.10 12 TPI FOR LARGE RING MAUSER

## Introduction

Thank you for choosing the BARREL/RECEIVER DIES BROWNELLS BARREL/RCVR DIE. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual carefully before using the dies.

## General Safety Guidelines

- Ensure that the dies are used in accordance with all applicable safety regulations.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves, when handling and using the dies.
- Keep the work area clean and welllit to minimize accidents.
- Store the dies in a safe place, out of reach of children and pets.
- Regularly inspect the dies for wear and damage. Do not use damaged dies.
- Follow all manufacturer instructions regarding the use and maintenance of the dies.

## Specific Safety Precautions for Use

- **Thread Safety:** Be cautious when cleaning and chasing threads. Improper handling can lead to injury.
- **Tool Compatibility:** Ensure that the dies are compatible with the tools you are using. Using incompatible tools can result in tool failure or injury.
- **Force Application:** Apply force gradually when using the dies. Excessive force can cause breakage or personal injury.
- **Ventilation:** Ensure adequate ventilation when working in enclosed spaces to avoid inhalation of metal shavings or dust.
- **Heat Generation:** Be aware that using the dies may generate heat. Allow the dies to cool before handling them after use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the workspace is clean and organized.

### 2. Installation:

- Select the appropriate die for the task. This product is designed for Large Ring Mauser with 1.10"12 TPI.
- Secure the die in the appropriate tool holder, ensuring it is tightly fastened to prevent slipping during use.

### 3. Usage:

- Begin by cleaning the area where the die will be used. Remove any debris or old threads.
- Align the die with the threads to be cleaned or chased.
- Apply even pressure while turning the die clockwise. Avoid forcing the die.
- If resistance is encountered, stop and assess the situation. Do not force the die through any

- obstruction.
- After use, clean the die to remove any metal shavings or debris.

#### 4. PostUsage:

- Store the dies in a dry, safe location.
- Regularly check the dies for wear and replace them as necessary.

## Disposal Instructions

- Dispose of any damaged or worn dies in accordance with local regulations.
- Recycle materials where possible to minimize environmental impact.
- Do not dispose of dies in regular household waste if they contain hazardous materials.

## Contact Information for Further Support

For any safety inquiries or concerns related to this product, please reach out to the manufacturer or your local distributor. Ensure that you have the product details ready for reference.

This safety instruction guide is designed to help you use the BARREL/RECEIVER DIES BROWNELLS BARREL/RCVR DIE safely and effectively. Always prioritize safety and refer to the guidelines as needed.
