Prevent Those Beautiful Round-Headed Pins From Flat-Topping

CUP TIP PUNCHES The Brownells Cup Tip Punches are precision-engineered tools designed to facilitate the removal and installation of round-headed pins, particularly those found on Smith & Wesson handguns. Each punch features a concave, "cupped" tip that precisely fits the rounded heads of pins, preventing deformation and maintaining the firearm's aesthetics during maintenance.

Description and Features:

Specialized Design: The concave tips are specifically crafted to match the contours of round-headed pins, ensuring a secure fit and minimizing the risk of slipping or damaging the pin heads.

High-Quality Construction: Made from hardened steel, these punches offer exceptional durability and longevity, standing up to repeated use in gunsmithing tasks.

Variety of Sizes: The punches are available in multiple diameters to accommodate a range of pin sizes commonly encountered in firearms.

Available Sets: Brownells offers these cup tip punches in several sets to suit different needs: Set A: Includes punches #1 (0.057" long), #2 (0.066" long), and #3 (0.072" long). Set B: Comprises punches #4 (0.040" short), #5 (0.050" short), and #6 (0.050" long). Set C: Contains punches #1 through #6, providing a comprehensive range for various applications. Set D: Offers the complete selection of punches #1 through #8, along with a Delrin Bench Block (also available separately as Brownells #080-000-644), enhancing the convenience and versatility of the set.

Specifications: Punch Diameters: #1: 0.057" (Long) #2: 0.066" (Long) #3: 0.072" (Long) #4: 0.040" (Short) #5: 0.050" (Short) #6: 0.050" (Long) #7: 0.118" (Long) #8: 0.118" (Short)

Customer Insights: Our customers report that the Brownells Cup Tip Punches are indispensable for maintaining the integrity of round-headed pins during firearm disassembly and assembly. The specialized cupped design ensures that pins remain unmarred, preserving the firearm's appearance and functionality. Incorporating the Brownells Cup Tip Punches into your gunsmithing toolkit ensures you have the precise tools needed for delicate pin work, enhancing both the efficiency and quality of your firearm maintenance projects.

Safety Instruction Guide for Brownells Cup Tip Punches

Introduction

Thank you for choosing the Brownells Cup Tip Punches. These precisionengineered tools are designed for the safe removal and installation of roundheaded pins, particularly in Smith & Wesson handguns. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Ensure that all tools are used in accordance with the manufacturer's instructions.
- Always inspect the Cup Tip Punches for damage before use. Do not use damaged tools.
- Store the punches in a safe location, out of reach of children and vulnerable individuals.
- Use protective eyewear to shield your eyes from debris during use.
- Keep your work area clean and organized to prevent accidents.
- Be aware of your surroundings and avoid distractions while using the punches.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always use the correct size punch for the pin you are working with to avoid slipping or damaging the pin heads.
- Do not apply excessive force when using the punches, as this may cause injury or damage.
- Ensure that the firearm is unloaded and safe before beginning any maintenance work.
- Use the punches only for their intended purpose. Do not use them for any other applications.
- If you are unsure about the correct usage or safety of the punches, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Selecting the Right Punch:

- Choose the appropriate punch size based on the diameter of the pin you are working with. Refer to the specifications below for sizes:
 - Punch #1: 0.057" (Long)
 - Punch #2: 0.066" (Long)
 - Punch #3: 0.072" (Long)
 - Punch #4: 0.040" (Short)
 - Punch #5: 0.050" (Short)
 - Punch #6: 0.050" (Long)
 - Punch #7: 0.118" (Long)
 - Punch #8: 0.118" (Short)

2. Using the Punch:

- Align the cupped tip of the punch with the rounded head of the pin.
- Apply gentle pressure to ensure a secure fit.
- Tap the punch lightly with a hammer to drive the pin out or into place. Use controlled, even strikes.
- Do not force the punch if resistance is encountered. Reassess the alignment and size of the punch being used.

3. After Use:

- Clean the punches after each use to remove any debris or residue.
- Store the punches in a protective case or designated storage area to prevent damage.

Disposal Instructions

- Dispose of any damaged or wornout punches in accordance with local regulations.
- Ensure that tools are disposed of in a manner that prevents injury to others.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of Brownells Cup Tip Punches, please refer to the manufacturer's contact information provided with your product.

Thank you for adhering to these safety guidelines. Your safety and the integrity of your tools are our top priorities.
