Prevent Those Beautiful Round-Headed Pins From Flat-Topping

CUP TIP PUNCHES The Brownells Cup Tip Punches are precision-engineered tools designed to facilitate the removal and installation of round-headed pins, particularly those found on Smith & Wesson handguns. Each punch features a concave, "cupped" tip that precisely fits the rounded heads of pins, preventing deformation and maintaining the firearm's aesthetics during maintenance.

Description and Features: **Specialized Design:** The concave tips are specifically crafted to match the contours of round-headed pins, ensuring a secure fit and minimizing the risk of slipping or damaging the pin heads. **High-Quality Construction:** Made from hardened steel, these punches offer exceptional durability and longevity, standing up to repeated use in gunsmithing tasks. **Variety of Sizes:** The punches are available in multiple diameters to accommodate a range of pin sizes commonly encountered in firearms.

Available Sets: Brownells offers these cup tip punches in several sets to suit different needs: **Set A:** Includes punches #1 (0.057" long), #2 (0.066" long), and #3 (0.072" long). **Set B:** Comprises punches #4 (0.040" short), #5 (0.050" short), and #6 (0.050" long). **Set C:** Contains punches #1 through #6, providing a comprehensive range for various applications. **Set D:** Offers the complete selection of punches #1 through #8, along with a Delrin Bench Block (also available separately as Brownells #080-000-644), enhancing the convenience and versatility of the set. **Specifications:** **Punch Diameters:** #1: 0.057" (Long) #2: 0.066" (Long) #3: 0.072" (Long) #4: 0.040" (Short) #5: 0.050" (Short) #6: 0.050" (Long) #7: 0.118" (Long) #8: 0.118" (Short)

Customer Insights: Our customers report that the Brownells Cup Tip Punches are indispensable for maintaining the integrity of round-headed pins during firearm disassembly and assembly. The specialized cupped design ensures that pins remain unmarred, preserving the firearm's appearance and functionality. Incorporating the Brownells Cup Tip Punches into your gunsmithing toolkit ensures you have the precise tools needed for delicate pin work, enhancing both the efficiency and quality of your firearm maintenance projects.

CUP TIP PUNCHES BROWNELLS CUP TIP 3PUNCH SET A Safety Instructions

Introduction

Thank you for choosing the CUP TIP PUNCHES BROWNELLS CUP TIP 3PUNCH SET A. This product is designed to provide precise fitting for round head pins found on Smith & Wesson handguns. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the punches in accordance with the manufacturer's instructions.
- Ensure that the work area is clean and free from distractions to avoid accidents.
- Keep the punches out of reach of children and vulnerable individuals.
- Inspect the punches and bench block for any damage before use. Do not use damaged tools.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect against flying debris.
- Store the punches and bench block in a safe and dry place when not in use.

Specific Safety Precautions for Use

- Use the correct punch size for the specific application to avoid damaging the pins or the firearm.
- Do not apply excessive force when using the punches, as this may lead to breakage or injury.
- Always ensure that the punch is aligned properly with the pin before striking.
- Avoid using the punches on materials other than those specified, as this may cause injury or damage.
- If you experience any discomfort or pain while using the punches, stop immediately and seek medical advice if necessary.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the CUP TIP PUNCHES and the Delrin bench block.
- Ensure your work area is welllit and free of clutter.

2. Using the Punches:

- Select the appropriate punch size for the task at hand. Refer to the product specifications for sizes.
- Place the Delrin bench block on a stable surface to provide support.
- Insert the punch into the designated hole on the bench block that corresponds to the punch size.
- Align the punch with the round head pin on the firearm.
- Use a hammer to strike the punch gently but firmly, ensuring that the punch does not slip out of alignment.
- After use, carefully remove the punch and store it in the designated place.

3. Maintaining the Punches:

- Clean the punches after each use to remove any debris or residue.
- Inspect the punches regularly for signs of wear or damage.
- Replace any damaged punches immediately to maintain safety.

Disposal Instructions

- Dispose of any damaged punches in accordance with local regulations for metal waste.
- The Delrin bench block can be disposed of with regular plastic waste, following local recycling guidelines.

By following these safety instructions, you can ensure a safe and effective experience with your CUP TIP PUNCHES BROWNELLS CUP TIP 3PUNCH SET A. Thank you for prioritizing safety in your use of this product.
