

# REVOLVER DEBURRING TOOL & CUTTERS - 1/2" REVOLVER DEBURRING TOOL W/CUTTER

[Gunsmith Tools & Supplies](#) > [Handgun Tools](#) > [Deburring Tools](#)

## Cuts Quick, Duty Gun Chamfer In Small Cylinders

The Brownells Revolver Deburring Tools use high speed steel to remove burrs from the outer edges of the forcing cone to improve accuracy. Used on the chamber throat, this tool helps rounds drop in easily. It helps eliminate lead shaving or "spitting" in just one or two passes. It's unique design works without disassembling the gun. The complete cutting tools include the aluminum handle and instructions. The deburring cutters are also available individually. Revolver Deburring Tool Handle dimensions: 3" long 3/8" Revolver Deburring Tool fits: .17-.22 caliber revolvers 1/2" Revolver Deburring Tool fits: .32-.45 caliber revolvers

# Safety Instruction Guide for REVOLVER DEBURRING TOOL & CUTTERS

## Introduction

Thank you for choosing the REVOLVER DEBURRING TOOL & CUTTERS. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the tool.

## General Safety Guidelines

- **Product Safety:** This tool is designed for safe use. Ensure you understand all safety instructions before use.
- **Enhanced Recalls:** In the event of a product recall, you will be informed through standardized notices. Ensure you check for updates regularly.
- **Online Shopping:** If purchased online, ensure the retailer complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This tool is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the EU-based contact provided by the manufacturer.
- **Rapid Alerts:** Stay informed about any safety alerts regarding this product via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety goggles and gloves when using the deburring tool.
- **Work Environment:** Ensure your workspace is clean, well-lit, and free from distractions.
- **Tool Inspection:** Before use, inspect the tool for any damage. Do not use if damaged.
- **Proper Handling:** Always hold the tool by the handle and keep fingers away from the cutting area.
- **Burr Removal:** Use the tool on the outer edge of the forcing cone and chamber throat only. Avoid excessive force.
- **Storage:** Store the tool in a safe place, away from moisture and direct sunlight.

## Instructions for Installation and Usage

### 1. Tool Assembly:

- Ensure the cutter is securely attached to the handle before use.
- If changing cutters, make sure the tool is not in use and follow the manufacturer's instructions for replacement.

### 2. Using the Tool:

- Position the tool at the edge of the forcing cone or chamber throat.
- Apply gentle pressure and rotate the tool to remove any burrs.
- For best results, perform this operation in one or two passes.
- Check the surface for smoothness after each pass.

### 3. PostUse Care:

- Clean the tool after use to remove any debris.
- Inspect the cutter for wear and replace if necessary.

## Disposal Instructions

- **Disposal of the Tool:** When the tool has reached the end of its life, dispose of it in accordance with local regulations for metal products.
- **Environmental Responsibility:** Do not dispose of the tool in regular household waste. Check with local waste management for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the REVOLVER DEBURRING TOOL & CUTTERS, please refer to the manufacturer's contact information provided on the packaging or their official website.

By following these safety instructions, you can ensure a safe and effective experience with the REVOLVER DEBURRING TOOL & CUTTERS. Thank you for your attention to safety.
