# Safety Instructions for 95308 PROSPRING KIT FOR SIG P225, P228, P229

## Introduction

Thank you for purchasing the 95308 PROSPRING KIT FOR SIG P225, P228, P229. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this document carefully before use to understand the precautions and guidelines necessary for safe operation.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Store the product in a cool, dry place when not in use.
- If you experience any issues with the product, cease use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling springs.
- Be cautious of potential pinch points when installing or removing springs.
- Do not attempt to modify or alter the product in any way.
- Ensure that the firearm is unloaded and safe before proceeding with any installation or maintenance.
- Follow the manufacturer's instructions closely to avoid potential hazards.

## Instructions for Installation and Usage

### 1. Preparation

- Gather necessary tools: a suitable screwdriver, pliers, and safety goggles.
- Ensure your work area is clean and welllit.

### 2. Installation Steps

- **Remove the old springs:**
  - Ensure the firearm is unloaded.
  - Carefully disassemble the firearm according to the manufacturer's instructions.
  - Remove the existing recoil spring, firing pin spring, and hammer springs.
- **Install the new springs:**
  - Take the 16 lb. FSW recoil spring and install it in the appropriate location.
  - Install the EP firing pin spring in the designated area.
  - Choose either the 24 lb. FSW hammer spring or the 19 lb. RP hammer spring based on your preference, and install it accordingly.

### 3. Final Checks

- After installation, reassemble the firearm carefully.
- Conduct a function check to ensure everything operates correctly.
- If any issues arise during the function check, seek assistance from a qualified gunsmith.

## **Disposal Instructions**

- Dispose of old springs and any packaging materials responsibly.
- Follow local regulations for the disposal of metal and plastic materials.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 95308 PROSPRING KIT, please refer to the manufacturer's contact details provided with your product or visit their official website for more information.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the 95308 PROSPRING KIT FOR SIG P225, P228, P229. Your safety is our priority, and we encourage you to reach out for assistance if needed. Thank you for choosing our product.
