

E-CLIP KIT - BROWNELLS E-CLIP .187"(4.7MM)OD .073"(1.8MM)ID .074"(1.9MM) SD 20PK

[Gunsmith Tools](#) > [Small Hardware](#) > [E-Clips](#)

8 Sizes Cover Most Gun Needs

So important to have on hand, E-Clips are used to hold pins and parts in place in many modern long guns and some handguns, too. With this E-Clip Kit on hand you can return a gun to service quickly; not waiting for a factory order, and not paying high factory prices - as much as \$1 each! All the sizes needed to service popular Remingtons, Marlin's, Mossbergs, Savages and Winchesters (plus many more). Vital in your shop as these little buggers get lost as easily as springs and detent balls. Detailed gun parts list cross-reference chart too, worked out by our tech staff with assistance and suggestions from Gary Thiry, Sacramento, California. The E-Clip Kit has 20 each of 8 different sizes, each size in its own snap-top box inside the Kit box. Refill Paks are also available. With a retail value in the \$56 to \$120 range, (35 cents to 75 cents each) this Kit cannot only be a lifesaver and loyalty builder, but a real moneymaker, too.

ECLIP KIT BROWNELLS ECLIP Safety Instruction Guide

Introduction

Thank you for choosing the EClip Kit Brownells EClip. This kit is designed to help you securely hold pins and parts in place for various firearms. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always keep the EClip Kit out of the reach of children and unauthorized users.
- Use the EClips only for their intended purpose as specified in this guide.
- Regularly check the condition of the EClips and replace any that are damaged or worn.
- If you experience any issues with the product, stop using it immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that you are using the correct size EClip for the application. Using the wrong size can result in failure and potential injury.
- Do not modify the EClips in any way, as this may compromise their integrity and safety.
- Wear appropriate safety gear (e.g., safety glasses) when working with firearms and small parts to protect against injury.
- Be cautious when handling small parts to avoid choking hazards, especially around children and pets.

Instructions for Installation and Usage

1. Selecting the Right EClip:

- Identify the size of the pin or part that requires securing.
- Choose the corresponding EClip from the kit.

2. Installation:

- Align the EClip with the pin or part.
- Gently press the EClip into place until it is securely seated.
- Ensure that the EClip is fully engaged and holds the pin or part firmly.

3. Usage:

- Regularly inspect the EClip to ensure it remains secure during use.
- If the EClip becomes loose or damaged, replace it immediately.

Disposal Instructions

- Dispose of any damaged or unused EClips in accordance with local regulations.
- Do not throw EClips in the regular trash if they are considered hazardous waste in your area.
- Consider recycling options if available.

Contact Information for Further Support

For any inquiries or further assistance regarding the EClip Kit, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety instructions, you can ensure the safe and effective use of your EClip Kit. Thank you for prioritizing safety and compliance with the EU GPSR.
