## **8 Sizes Cover Most Gun Needs**

So important to have on hand, E-Clips are used to hold pins and parts in place in many modern long guns and some handguns, too. With this E-Clip Kit on hand you can return a gun to service quickly; not waiting for a factory order, and not paying high factory prices - as much as \$1 each! All the sizes needed to service popular Remingtons, Marlins, Mossbergs, Savages and Winchesters (plus many more). Vital in your shop as these little buggers get lost as easily as springs and detent balls. Detailed gun parts list cross-reference chart too, worked out by our tech staff with assistance and suggestions from Gary Thiry, Sacramento, California. The E-Clip Kit has 20 each of 8 different sizes, each size in its own snap-top box inside the Kit box. Refill Paks are also available. With a retail value in the \$56 to \$120 range, (35 cents to 75 cents each) this Kit cannot only be a lifesaver and loyalty builder, but a real moneymaker, too.

# ECLIP KIT Safety Instruction Guide

## Introduction

Thank you for choosing the ECLIP KIT by Brownells. This guide provides essential safety instructions to ensure the safe and effective use of the ECLIP KIT. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always handle the ECLIP KIT with care to avoid injury.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect the clips regularly for signs of wear or damage before use.
- Use the clips only for their intended purpose to prevent accidents.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are using the correct size of EClip for your application. Using the wrong size may lead to malfunction or injury.
- Avoid using damaged or worn clips as they may not hold securely and could cause parts to detach.
- When installing or removing clips, use appropriate tools and follow safety procedures to prevent pinching or cutting.
- Do not apply excessive force when installing clips, as this may lead to breakage or injury.
- Always wear safety glasses when working with small parts to protect your eyes from potential hazards.

## Instructions for Installation and Usage

### 1. Select the Correct Clip Size:

- Determine the size of the EClip required for your specific application.
- Refer to the detailed gun parts list crossreference chart included in the kit.

### 2. Installation:

- Use a suitable tool (e.g., a pair of pliers) to install the EClip.
- Position the EClip over the pin or shaft where it will be installed.
- Gently press the clip into place until it is securely seated.

### 3. Removal:

- To remove the EClip, use a pair of pliers to grip the clip and gently pull it off the pin or shaft.
- Avoid using excessive force to prevent damage to the clip or surrounding components.

### 4. Storage:

- Store the ECLIP KIT in a cool, dry place, away from direct sunlight and moisture.
- Keep each size of EClip in its designated snaptop box to prevent mixing and ensure easy access.

## Disposal Instructions

- Dispose of any damaged or worn EClips in accordance with local waste disposal regulations.
- Do not dispose of the ECLIP KIT in regular household waste. Check for local recycling options for metal parts.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the ECLIP KIT, please consult the product packaging or visit the manufacturer's website for additional resources.

Thank you for following these safety instructions. By adhering to these guidelines, you can ensure the safe and effective use of your ECLIP KIT.
