

E-CLIP KIT - BROWNELLS E-CLIP .270"(6.8MM)OD .093"(2.4MM)ID .095"(2.4MM) SD 20PK

[Gunsmith Tools](#) > [Small Hardware](#) > [E-Clips](#)

8 Sizes Cover Most Gun Needs

So important to have on hand, E-Clips are used to hold pins and parts in place in many modern long guns and some handguns, too. With this E-Clip Kit on hand you can return a gun to service quickly; not waiting for a factory order, and not paying high factory prices - as much as \$1 each! All the sizes needed to service popular Remingtons, Marlin's, Mossbergs, Savages and Winchesters (plus many more). Vital in your shop as these little buggers get lost as easily as springs and detent balls. Detailed gun parts list cross-reference chart too, worked out by our tech staff with assistance and suggestions from Gary Thiry, Sacramento, California. The E-Clip Kit has 20 each of 8 different sizes, each size in its own snap-top box inside the Kit box. Refill Paks are also available. With a retail value in the \$56 to \$120 range, (35 cents to 75 cents each) this Kit cannot only be a lifesaver and loyalty builder, but a real moneymaker, too.

ECLIP KIT BROWNELLS ECLIP .270" (6.8MM) OD .093" (2.4MM) ID .095" (2.4MM) SD 20PK Safety Instructions

Introduction

Thank you for choosing the EClip Kit by Brownells. This kit is designed to provide you with essential clips for maintaining your firearms. Proper use and handling of this product are crucial for ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always ensure that the firearm is unloaded and safe before attempting any maintenance or replacement of parts.
- Keep the EClip Kit out of reach of children and unauthorized individuals.
- Inspect the EClips for any signs of damage or wear before use. Do not use damaged clips.
- Use the EClips only for their intended purpose, which is to hold pins and parts in place in firearms.
- If you are unsure about the installation or usage of the EClips, seek assistance from a qualified professional.

Specific Safety Precautions for Use

- Use appropriate tools when installing or removing EClips to avoid injury.
- Wear safety glasses to protect your eyes from potential flying parts during installation.
- Ensure that your work area is clean and welllit to prevent accidents.
- Do not force the EClips into place; they should fit snugly without excessive pressure.
- If you experience difficulty during installation, stop and reassess the situation to avoid damaging the clips or the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition.
- Gather necessary tools, including pliers and a clean workspace.

2. Selecting the Right EClip:

- Identify the size of the EClip needed for your specific application. Refer to the detailed gun parts list crossreference chart included with the kit.

3. Installation:

- Position the EClip over the pin or part that it is intended to secure.
- Use pliers to gently press the EClip into place, ensuring it is seated properly in the groove.
- Verify that the EClip is securely in place before proceeding.

4. Removal (if necessary):

- Use a pair of pliers to gently pry the EClip off the pin or part.
- Avoid using excessive force to prevent damage to the EClip or firearm.

5. Final Check:

- After installation, doublecheck that all components are secure and functioning properly.
- Store any unused EClips in their designated snaptop boxes to prevent loss.

Disposal Instructions

- Dispose of any damaged or unusable EClips in accordance with local regulations.
- Do not dispose of EClips in regular household waste if they are considered hazardous materials in your area.
- Recycle packaging materials where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or support regarding the EClip Kit, please refer to the contact information provided with your product. It is important to have access to assistance if you encounter any issues or have questions about the product.

Important Notes

- Regularly check for updates on safety recalls or product advisories related to the EClip Kit.
- Report any unsafe products or incidents to the appropriate authorities to ensure consumer safety.

Thank you for your attention to these safety instructions. Your safety and the proper functioning of your firearms are our top priority.
