Safety Instruction Guide for STEEL PILOTS BROWNELLS STEEL PILOT FOR .177 AIRGUN MUZZLE (.173")

Introduction

Thank you for purchasing the STEEL PILOTS BROWNELLS STEEL PILOT FOR .177 AIRGUN MUZZLE (.173"). This product is designed to assist in the proper centering of facing and chamfering cutters in the bore of your airgun. It is essential to follow the safety guidelines and instructions outlined in this manual to ensure safe and effective use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the pilot for damage or wear before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as gloves and safety glasses when handling the product.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Sharp edges may cause cuts or injuries.
- Improper use may lead to damage to the airgun or injury to the user.

• Avoiding Hazards:

- Always handle the pilot with care and avoid direct contact with sharp edges.
- Do not exceed the recommended usage limits.
- Ensure that the airgun is unloaded before installing or using the pilot.
- Follow the manufacturer's instructions for your specific airgun model.

Instructions for Installation and Usage

1. Preparation:

- Ensure the airgun is completely unloaded and safe to work on.
- Gather necessary tools and PPE.

2. Installation:

- Select the appropriate pilot size for your airgun muzzle.
- Insert the pilot into the bore, ensuring it is properly aligned.
- Use a gentle twisting motion to seat the pilot securely.

3. Usage:

- Use the pilot in conjunction with facing and chamfering cutters as per the manufacturer's instructions.
- Maintain a steady hand and apply even pressure during use.

- Regularly check the alignment and condition of the pilot during operation.

4. PostUse:

- Remove the pilot carefully from the airgun bore.
- Clean the pilot to remove any debris or residue.
- Store the pilot in a safe and dry place away from children.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling it at an appropriate facility.

Contact Information for Further Support

For any questions or concerns regarding the STEEL PILOTS BROWNELLS STEEL PILOT FOR .177 AIRGUN MUZZLE (.173"), please reach out to the appropriate support channels. Ensure you have the product information ready for reference.

By adhering to these safety instructions, you can ensure a safe and effective experience with your STEEL PILOTS BROWNELLS STEEL PILOT. Thank you for your attention to safety.
