# Safety Instruction Guide for STEEL PILOTS

## BROWNELLS STEEL PILOT FOR 6.5MM/.264 MUZZLE

### Introduction

Thank you for choosing the STEEL PILOTS BROWNELLS STEEL PILOT FOR 6.5MM/.264 MUZZLE. This guide provides essential safety information and instructions for the proper use and disposal of this product. Please read this guide carefully to ensure safe and effective operation.

### General Safety Guidelines

- Ensure that you are familiar with the product before use.
- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage. If damaged, do not use it.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during operation.
- Report any unsafe conditions or accidents to the relevant authorities.

### Specific Safety Precautions for Use

- This product is designed for use with specific calibers (264/6.5 mm). Ensure compatibility before use.
- Do not exceed the recommended usage limits.
- Avoid using the pilot in wet or damp conditions to prevent slipping and ensure a secure grip.
- Maintain a clean workspace to prevent accidents and ensure the pilot operates effectively.
- Always secure the workpiece before using the pilot to prevent movement during operation.
- If you experience any difficulties while using the product, cease operation immediately and consult the manual.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure the work area is clean and welllit.

#### 2. Installation:

- Insert the steel pilot into the appropriate tool or machine according to the manufacturer's instructions.
- Ensure it is securely fastened to prevent any movement during use.

#### 3. Usage:

- Position the workpiece securely.
- Align the pilot with the bore to ensure proper centering.
- Operate the tool at the recommended speed and pressure.
- Monitor the operation closely to ensure safety and effectiveness.
- After use, turn off the tool and remove the pilot carefully.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling options where applicable.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding this product, please contact the manufacturer's customer service or consult the product's official website. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you can ensure your safety and the effective use of the STEEL PILOTS BROWNELLS STEEL PILOT FOR 6.5MM/.264 MUZZLE. Thank you for your attention to these important safety instructions.
