Safety Instruction Guide for STEEL PILOTS

BROWNELLS STEEL PILOT FOR .311 MUZZLE

Introduction

Thank you for choosing the STEEL PILOTS BROWNELLS STEEL PILOT FOR .311 MUZZLE. This product is designed to assist in the precise facing and chamfering of firearm components. To ensure your safety and the proper use of this tool, please read and follow the instructions and guidelines outlined in this document.

General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure the product is suitable for your specific firearm caliber.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating this tool.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the tool for wear or damage; do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from sharp edges and moving parts.
 - Potential for damage to the firearm if not used correctly.
- **Avoiding Hazards:**
 - Always ensure the firearm is unloaded before using the tool.
 - Use the tool in a welllit area to maintain visibility.
 - Do not force the tool; allow it to do the work.
 - Keep hands and other body parts away from cutting areas.
 - Ensure that the tool is properly secured before use.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the tool is clean and free of debris.
 2. Insert the steel pilot into the appropriate chuck or holder.
 3. Tighten securely to prevent slippage during use.
- **Usage:**
 1. Confirm that the firearm is unloaded and pointed in a safe direction.
 2. Align the pilot with the bore of the firearm.
 3. Apply light pressure to ensure proper centering.
 4. Rotate the tool slowly and steadily, allowing the pilot to cut without excessive force.
 5. Periodically check the progress and adjust as needed.
 6. After use, clean the tool to remove any debris or residue.

Disposal Instructions

- Dispose of the product according to local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for metal components if available.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to your local distributor or manufacturer. Ensure you have the product details at hand for quicker assistance.

By following these guidelines, you can ensure a safe and effective experience with the STEEL PILOTS BROWNELLS STEEL PILOT FOR .311 MUZZLE. Thank you for prioritizing safety.
