Safety Instruction Guide for STEEL PILOTS

BROWNELLS STEEL PILOT FOR .3840 MUZZLE

Introduction

Thank you for choosing the STEEL PILOTS BROWNELLS STEEL PILOT FOR .3840 MUZZLE. This guide provides essential safety instructions and guidelines for the proper use of this product. Please read and follow all instructions carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Store the product in a dry, secure location away from direct sunlight and moisture.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the hardened steel pilot only with compatible facing and chamfering cutters.
- Ensure that the pilot is properly centered in the bore before use to prevent accidents.
- Do not exceed the recommended speed or pressure settings during operation.
- Avoid using damaged or worn pilots, as they may pose a safety risk.
- Do not attempt to modify the product in any way, as this can lead to unsafe conditions.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure the work area is clean and free of any obstructions.

2. Installation:

- Carefully insert the STEEL PILOT into the bore of the firearm or workpiece.
- Align the pilot to ensure it is centered.
- Secure the pilot according to the manufacturer's specifications.

3. Usage:

- Begin operation at a low speed to ensure proper alignment.
- Gradually increase speed as needed, monitoring for any vibrations or unusual noises.
- Maintain a firm grip on the tool and keep hands clear of moving parts.
- After use, turn off the equipment and remove the pilot carefully.

4. PostUse Care:

- Clean the pilot and surrounding area to remove any debris or residue.
- Inspect the pilot for any signs of wear or damage.
- Store the pilot in a safe location.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product use, please contact the designated EUbased support center associated with this product.

By following these guidelines, you can ensure a safe and effective experience with the STEEL PILOTS BROWNELLS STEEL PILOT FOR .3840 MUZZLE. Thank you for prioritizing safety in your use of this product.
