Safety Instruction Guide for STEEL PILOTS

BROWNELLS STEEL PILOT FOR .480 RUGER CYLINDER

Introduction

Thank you for purchasing the STEEL PILOTS BROWNELLS STEEL PILOT FOR .480 RUGER CYLINDER. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow all instructions carefully to avoid potential hazards.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate personal protective equipment (PPE) when using this product.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or issues with the product, discontinue use immediately and seek advice.

Specific Safety Precautions for Use

- The hardened steel pilot is designed to keep facing and chamfering cutters centered. Ensure proper alignment before use.
- Avoid using excessive force when operating the pilot, as this may lead to damage or injury.
- Do not attempt to modify or alter the product in any way.
- Store the product in a dry and secure location when not in use to prevent accidental injuries.
- Always follow the manufacturer's instructions regarding the compatible calibers and applications.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have the necessary tools and equipment for installation.
- Verify that the pilot is compatible with your specific firearm and caliber.

2. Installation:

- Carefully insert the pilot into the appropriate tool or machine.
- Ensure that it is securely fastened and properly aligned.

3. Usage:

- Begin operation at a low speed to ensure stability.
- Gradually increase speed as needed, maintaining control of the tool.
- Monitor the operation closely and stop immediately if any unusual sounds or vibrations occur.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, take it to a certified recycling center.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these guidelines, you can help ensure a safe and effective experience with the STEEL PILOTS BROWNELLS STEEL PILOT FOR .480 RUGER CYLINDER. Always prioritize safety and adhere to the instructions provided. Thank you for your attention to these important safety measures.
