POWER CUSTOM BRASS MUZZLE CROWNING LAP SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the POWER CUSTOM BRASS MUZZLE CROWNING LAP by BROWNELLS. This product is designed for precision muzzle lapping to enhance the performance of your firearm. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Store the product in a dry and safe place when not in use.
- Ensure proper ventilation when using the product to avoid inhalation of any dust or debris.
- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, to protect against potential hazards.

Specific Safety Precautions for Use

- Use only on firearms that are unloaded and in a safe condition.
- Avoid direct contact with the muzzle crown during use to prevent injury.
- Ensure that the work area is clear of any obstructions and that you have ample space to operate.
- Do not exceed the recommended pressure while using the laps to avoid damaging the bore.
- Never use the laps on a hot barrel; allow the barrel to cool before starting.
- Follow all local laws and regulations regarding firearm maintenance and safety.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and in a safe condition.
- Gather all necessary tools and safety equipment before starting.

2. Selecting the Lap:

- Choose the appropriate lap size for your firearm bore (.176.5mm).
- Ensure that the lap is free from debris or damage.

3. Installation:

- Insert the selected lap into the bore of the firearm carefully.
- Ensure that it fits snugly but does not require excessive force.

4. Usage:

- Apply a suitable lapping compound to the lap before use.
- Rotate the lap slowly and evenly within the bore to achieve the desired finish.
- Periodically remove the lap to clean it and inspect for wear.

5. Completion:

- After achieving the desired result, remove the lap from the bore.

- Clean the bore thoroughly to remove any lapping compound residue.
- Inspect the bore for any signs of damage or irregularities.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling materials where possible.

Contact Information for Further Support

- For any safety inquiries or additional information about this product, please contact your local authorized distributor or visit the manufacturer's website for support.

By following these safety instructions, you can ensure a safe and effective experience while using the POWER CUSTOM BRASS MUZZLE CROWNING LAP. Thank you for your attention to safety and proper usage.
