# POWER CUSTOM BRASS MUZZLE CROWNING LAP SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the POWER CUSTOM BRASS MUZZLE CROWNING LAP by BROWNELLS. This product is designed to assist in the precision lapping of firearm muzzles. To ensure your safety and the effective use of this tool, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always read the product instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use to ensure it is in good condition.
- Do not use the product for purposes other than those intended.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the tool.
- If you experience any discomfort or notice any defects during use, stop immediately and consult a professional.

## Specific Safety Precautions for Use

- Ensure your workspace is clean, welllit, and free of distractions.
- Use the product only on firearms that are unloaded and in a safe condition.
- Avoid contact with sharp edges and moving parts of the tool.
- Do not apply excessive force when using the laps; this may cause damage to the tool or firearm.
- Be aware of your surroundings and ensure no one is in close proximity while using the tool.
- Dispose of any debris generated during use according to local regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and safety equipment.

### 2. Installation:

- Select the appropriate lap size for your firearm bore (.270 to .35).
- Attach the selected lap securely to the lapping tool.

### 3. Usage:

- Insert the tool into the muzzle carefully, ensuring a proper fit.
- Apply a small amount of lapping compound to the lap.
- Rotate the tool gently, allowing the lap to make contact with the bore.
- Maintain a consistent and gentle pressure; do not force the tool.
- Periodically remove the tool to inspect progress and clean any debris.
- Once satisfied with the lapping process, remove the tool and clean the bore thoroughly.

### 4. PostUsage:

- Clean the laps and tool with a suitable solvent after use.

- Store the product in a safe, dry place away from children.

## Disposal Instructions

- Dispose of the product and any associated materials in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

## Contact Information for Further Support

For any questions regarding the use of this product or safety concerns, please refer to the manufacturer's contact details provided with your purchase. It is important to have access to professional support for any issues you may encounter.

By following these safety instructions, you can ensure a safe and effective experience while using the POWER CUSTOM BRASS MUZZLE CROWNING LAP. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
