Safety Instruction Guide for SLING SWIVEL STUD KIT

Introduction

Thank you for choosing the Brownells Sling Swivel Stud Kit. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of the product. Please read this document carefully before using the kit.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the kit out of reach of children and vulnerable individuals.
- Regularly inspect the kit for any signs of damage or wear.
- Do not use damaged parts; replace them immediately.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses when handling tools and components.
- Avoid using the sling swivel studs in environments that may expose them to extreme temperatures or corrosive substances.
- Ensure that all components are securely tightened before use to prevent accidental detachment.
- Do not exceed the weight limit specified for the sling swivel studs to prevent failure during use.
- Be aware of your surroundings and ensure that the area is clear of obstacles when using the sling.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components from the kit.
- Ensure the work area is clean and welllit.

2. Installation:

- Select the appropriate swivel stud based on your application (e.g., wood screw studs for wood surfaces).
- Using a drill, create a pilot hole if necessary for wood screw studs.
- Carefully insert the swivel stud into the pilot hole and tighten securely.
- Attach the sling to the swivel stud, ensuring it is firmly in place.

3. Usage:

- Check the integrity of the installation before each use.
- Use the sling for its intended purpose, ensuring that it is properly adjusted for comfort and safety.

4. Maintenance:

- Periodically inspect the sling swivel studs and surrounding areas for signs of wear or damage.
- Clean the components with a dry cloth to remove dirt and debris.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local waste disposal regulations.
- Recycle materials when possible. Check with local recycling centers for guidelines.

Contact Information for Further Support

For any inquiries regarding safety or usage of the Sling Swivel Stud Kit, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website.

Thank you for your attention to safety. Enjoy your experience with the Brownells Sling Swivel Stud Kit!
