SLING SWIVEL STUD KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Brownells Sling Swivel Stud Kit. This product is designed to enhance your shooting experience by providing essential swivel stud components. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that all components are used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the components for signs of wear or damage before each use.
- Do not use any components that are damaged or appear to be defective.
- Follow all local regulations and guidelines regarding firearm accessories.

Specific Safety Precautions for Use

- When installing the sling swivel studs, ensure that the surface is stable and secure.
- Use appropriate tools to avoid injury during installation.
- Avoid overtightening screws or nuts, as this may damage the components or the firearm.
- Always doublecheck that the studs are securely fastened before use.
- Do not exceed the weight limit specified by the firearm manufacturer for sling attachments.
- Be aware of your surroundings and ensure a safe environment when using firearms equipped with sling swivels.

Instructions for Installation and Usage

1. Gather Required Tools:

- Screwdriver suitable for the wood screw studs.
- Wrench or pliers for hex nuts and dome top nuts.

2. Installation Steps:

- Identify the location on your firearm where you wish to install the sling swivel studs.
- Mark the position for drilling if necessary, ensuring it does not interfere with the firearm's operation.
- Drill a pilot hole if using wood screw studs to ensure proper fit.
- Insert the wood screw studs into the drilled holes and secure them tightly.
- For dome top and hex nuts, align the sling swivel with the stud and securely fasten using the appropriate nut.
- Use the white and black plastic spacers as needed to ensure a snug fit and proper alignment.

3. Usage:

- Attach your sling to the installed swivel studs.
- Ensure that the sling is securely fastened and adjust as necessary for comfort and safety.
- Regularly check the attachment points for security during use.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local waste disposal regulations.
- If the product is no longer needed, consider recycling components where possible.

- Do not dispose of components in a manner that could pose a hazard to the environment or wildlife.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging.
