RIFLE 3/8" TWILIGHT LS APERTURE PAK Safety Instruction Guide

Introduction

Thank you for choosing the RIFLE 3/8" Twilight LS Aperture Pak. This product is designed to enhance your shooting experience by providing adjustable apertures for improved eye relief and accuracy. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded and ready to fire, even if you believe it is not.
- Use the aperture only with compatible firearms as specified in the product description.
- Ensure that the product is installed correctly before use.
- Regularly inspect the aperture and your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and safety.
- Keep the product out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Do not use the aperture if it is damaged or if any part is missing.
- Avoid using the product in adverse weather conditions that may affect visibility or safety.
- Make sure the area is clear of people and obstacles before taking any shots.
- Always wear appropriate eye and ear protection while shooting.
- Be aware of your surroundings and ensure a safe backstop is present.

Instructions for Installation and Usage

Installation

1. **Ensure Compatibility:** Confirm that the RIFLE 3/8" Twilight LS Aperture Pak is suitable for your firearm, specifically for Williams WGRS models only.
2. **Remove Existing Aperture:** If applicable, carefully remove any existing aperture from your firearm's sight.
3. **Install New Aperture:**
 - Align the thread of the new aperture with the sight base.
 - Screw in the aperture clockwise until it is snug but do not overtighten.
4. **Check Stability:** Gently tug on the aperture to ensure it is securely attached.

Usage

1. **Select Aperture Size:** Choose one of the three available apertures (.050", .093", or .125") based on your shooting conditions and preferences.
2. **Adjust Eye Relief:** Position your eye at the appropriate distance from the aperture to achieve the best sight picture.
3. **Practice:** Before using the aperture in a live shooting situation, practice aiming and adjusting your stance to ensure comfort and accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, do not attempt to fix it. Instead, recycle or dispose of it responsibly to minimize environmental impact.

Contact Information for Further Support

For any questions or safety inquiries regarding the RIFLE 3/8" Twilight LS Aperture Pak, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for prioritizing safety while using the RIFLE 3/8" Twilight LS Aperture Pak. Enjoy your shooting experience!
