

# BROWNING A-BOLT RIFLE ACTION WRENCH & HEAD - BROWNELLS COMPLETE BROWNING A-BOLT ACTION WRENCH

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Wrenches](#) > [Action Wrenches & Components](#)

The only commercially available action wrench system that surrounds and supports the receiver ring and recoil lug to distribute potentially damaging torque forces equally. The solid steel base has a unique, machined relief to clear the recoil lug on most Mauser-type bolt action rifles and, the individual, bolt-on Heads are machined to provide an exact fit around and against the receiver ring or barrel nut for each of the firearm models listed. Together, they support the receiver in a ring of steel and greatly increase the amount of surface gripping area to totally eliminate twisted bolt ways or damaged, ruined receivers. This is the most advanced, complete, professional-quality, Action Wrench System. With it, you can prevent expensive receiver damage on MOST popular rifle actions, including military models, plus, models for selected handguns. Two-piece head clamps around the forward receiver ring for complete contact on the top and sides of this uniquely-shaped receiver.

# BROWNING ABOLT RIFLE ACTION WRENCH Safety Instruction Guide

## Introduction

Thank you for choosing the BROWNING ABOLT Rifle Action Wrench & Head from Brownells. This product is designed to provide a safe and efficient method for working on Browning ABolt rifles. Please read this safety instruction guide carefully to ensure the safe use of the product and to comply with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the user manual before using the product.
- Ensure that the action wrench is suitable for your specific firearm model.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the action wrench before each use to ensure it is in good working condition.
- Use the product only for its intended purpose as described in the manual.
- Report any unsafe conditions or product-related accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and the chamber is clear before using the action wrench.
- Always wear appropriate safety gear, including safety glasses and gloves.
- Do not exceed the recommended torque settings when using the action wrench.
- Make sure the action wrench is securely attached to the firearm before applying any force.
- Avoid using the action wrench in wet or damp conditions to prevent slipping.
- If you notice any damage to the action wrench, discontinue use immediately and contact customer support.

## Instructions for Installation and Usage

### 1. Preparation

- Verify that the firearm is unloaded and the chamber is clear.
- Gather all necessary tools and safety equipment.

### 2. Installation

- Select the appropriate head for your Browning ABolt model.
- Attach the head to the action wrench according to the manufacturer's instructions.
- Ensure the head is securely fastened and positioned correctly around the receiver ring.

### 3. Using the Action Wrench

- Position the action wrench around the receiver ring of the firearm.
- Apply even pressure to the wrench while turning to avoid damaging the receiver.
- Monitor the torque applied and ensure it does not exceed the recommended limits.
- After completing the task, carefully remove the action wrench and head from the firearm.

### 4. PostUse Inspection

- Check the action wrench and head for any signs of wear or damage.
- Clean the action wrench as per the maintenance instructions provided in the manual.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal and mechanical waste.
- Do not dispose of the product in household waste.
- If the product is no longer usable, consider recycling components where possible.

## **Contact Information for Further Support**

For any questions, concerns, or reports related to product safety, please refer to the contact information provided in the product manual or on the manufacturer's website.

## **Conclusion**

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with your BROWNING ABOLT Rifle Action Wrench & Head. Always prioritize safety and stay informed about best practices for using this product. Thank you for your attention to these important guidelines.
