

1911 BARREL ALIGNMENT GAUGE - BROWNELLS 1911 BARREL ALIGN GAUGE SET

[Gunsmith Tools](#) > [Handgun Tools](#) > [Barrel Tools](#) > [Barrel Fitting Tools](#)

Fast Check For Proper Lug Engagement & Firing Pin Alignment

Valuable barrel fitting aid for the gunsmith and a great used gun checker for the dealer. The rod slides down the barrel and the centered tip drops into the firing pin hole on a properly-fitted factory barrel. A little layout fluid on the breech face shows exact alignment.

Safety Instruction Guide for 1911 Barrel Alignment Gauge

Introduction

Thank you for choosing the 1911 Barrel Alignment Gauge by Brownells. This product is designed to assist gunsmiths and dealers in ensuring proper barrel fitting for firearms. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always handle firearms with care, following all safety protocols.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the gauge for any signs of damage or wear before use.
- If the gauge becomes damaged, discontinue use immediately and replace it.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the gauge.
- Do not use the gauge on firearms that are loaded or have ammunition present.
- Ensure the firearm is secured in a stable position before using the gauge.
- Avoid any contact with the firing pin hole when the firearm is not properly secured.
- Use caution when applying layout fluid to the breech face to avoid spills or contamination.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary tools and the 1911 Barrel Alignment Gauge set.

2. Using the Gauge

- Insert the rod of the gauge into the barrel of the firearm.
- Allow the centered tip to drop into the firing pin hole of the barrel.
- Inspect the alignment by applying a small amount of layout fluid to the breech face.
- Check for even distribution of the layout fluid to confirm proper alignment.

3. Post Use

- Carefully remove the gauge from the barrel after use.
- Clean the gauge according to the manufacturer's instructions to maintain its condition.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact your local supplier or refer to the manufacturer's website for support.

By following these safety instructions, you can ensure a safe and effective experience with the 1911 Barrel Alignment Gauge. Always prioritize safety and compliance with local regulations when handling firearms and related tools.
