# SCOPE SHIM KIT Safety Instructions

## Introduction

Thank you for choosing the SCOPE SHIM KIT .600"X.008" SCOPE SHIM REFILL 10 PACK. This kit is designed to provide an economical and practical solution for achieving perfect scope base and ring alignment. Please read this safety instruction guide carefully to ensure safe usage and compliance with all safety regulations.

## General Safety Guidelines

- Ensure the product is used as intended and according to these instructions.
- Always inspect the product for any visible damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the shims only with compatible scope bases and rings.
- Avoid using excessive force when installing the shims to prevent damage.
- Always wear appropriate safety gear (e.g., safety glasses) when working with tools.
- Ensure that the work area is clean, dry, and welllit while installing the shims.
- Do not modify the shims in any way, as this may compromise their safety and effectiveness.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and ensure you have a clean workspace.
- Review the specifications of your scope base and rings to determine the required shim size.

### 2. Selecting the Shim

- Choose the appropriate shim thickness based on your alignment needs:
  - .006" (.152mm)
  - .008" (.203mm)
  - .010" (.254mm)
  - .012" (.304mm)
- Select the correct hole spacing:
  - .600" (15.2mm)
  - .860" (21.8mm)

### 3. Installation Steps

- Align the shim with the scope base and ensure it fits snugly.
- Place the shim between the scope base and the rifle receiver.
- Secure the scope base using the provided screws, ensuring they are tightened evenly.
- Check the alignment of the scope and make adjustments as necessary before final tightening.

### 4. PostInstallation Check

- Inspect the installation to ensure that the shims are properly seated and that there are no gaps.
- Test the scope alignment by looking through the scope and adjusting as needed.

## **Disposal Instructions**

- Dispose of any unused or damaged shims in accordance with local waste disposal regulations.
- Do not dispose of shims in regular household waste if they are made of hazardous materials. Check local guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SCOPE SHIM KIT, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for additional support.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure safe and effective use of your SCOPE SHIM KIT.
