# Safety Instruction Guide for BRASS PILOTS .44 CYLINDER BRASS PILOT

## Introduction

Thank you for choosing the BRASS PILOTS .44 CYLINDER BRASS PILOT. This product is designed to assist in the proper centering of Facing and Chamfering cutters in the bore, ensuring precision and durability. To ensure safe and effective use, please read this safety instruction guide thoroughly.

## General Safety Guidelines

- Always read and understand all instructions before using this product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the product in a wellventilated area to avoid inhalation of any dust or particles.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the product.
- Ensure that the work area is clear of any hazards and distractions.
- Do not exceed the specified use parameters, including the caliber and compatibility with firearms.
- Do not modify or alter the product in any way.
- Store the product in a dry and secure location when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment before starting.
- Ensure that the area is clean and free from debris.

### 2. Installation:

- Insert the BRASS PILOT into the appropriate tool or machine as per the manufacturer's instructions.
- Ensure that the pilot is securely fitted and properly aligned.

### 3. Usage:

- Operate the machine or tool according to the manufacturer's guidelines.
- Monitor the operation closely to ensure proper functioning.
- If any unusual noises or vibrations occur, stop using the product immediately and inspect for issues.

### 4. PostUse:

- After use, clean the product thoroughly to remove any debris or residues.
- Store the product in its designated place to prevent damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the BRASS PILOTS .44 CYLINDER BRASS PILOT, please reach out to your local retailer or the manufacturer's customer service. Ensure that you have the product details available when seeking assistance.

By following these safety instructions, you can help ensure a safe and effective experience with your BRASS PILOTS .44 CYLINDER BRASS PILOT. Thank you for your attention to safety.
