Safety Instruction Guide for BRASS PILOTS .480 RUGER MUZZLE BRASS PILOT

Introduction

Thank you for choosing the BRASS PILOTS .480 RUGER MUZZLE BRASS PILOT. This guide provides essential safety instructions to ensure the safe use of this product. It complies with the EU General Product Safety Regulation (GPSR) to help you understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the product for any signs of damage before use.
- Do not use the product for any purpose other than its intended use.
- Follow all local laws and regulations regarding the use of this product.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check the EU's Safety Gate platform for updates on product recalls or safety notices.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses, gloves, and ear protection, while using the product.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Do not use the product if you are under the influence of drugs or alcohol.
- Use the product only with compatible equipment and accessories.
- Avoid wearing loose clothing or jewelry that may get caught in the product during use.
- Always maintain a firm grip on the product while in use to prevent slippage.
- Be aware of your surroundings and ensure that no one is in the vicinity of the work area during operation.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials before starting.
- Ensure that the work surface is stable and secure.

2. Installation

- Insert the hardened steel pilot into the appropriate tool or equipment according to the manufacturer's instructions.
- Ensure that the pilot is securely fastened and properly aligned.

3. Usage

- Position the tool with the installed pilot over the bore you intend to work on.
- Apply gentle pressure to keep the pilot centered while operating the tool.
- Do not force the pilot into the bore; allow the tool to do the work.
- After use, remove the pilot and clean it according to the manufacturer's recommendations.

4. PostUsage

- Store the product in a dry and secure location away from children.

- Regularly inspect the pilot for wear and replace it if necessary to ensure safe operation.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding hazardous waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the BRASS PILOTS .480 RUGER MUZZLE BRASS PILOT, please refer to the manufacturer's contact information provided on the packaging or product documentation.

Thank you for your attention to these safety guidelines. Using the BRASS PILOTS .480 RUGER MUZZLE BRASS PILOT responsibly will help ensure a safe and effective experience.
