

BRASS ONE CALIBER SET FOR .257 MUZZLE

[Gunsmith Tools & Supplies](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

Square Up & Chamfer Rifle and Handgun Muzzles P Brass Bore Pilot

Set includes: one, 90° facing cutter to square a muzzle after shortening, or repair damage; one, 45° chamfering cutter to break the edges of the rifling for a clean bullet exit or chamfer a revolver cylinder mouth for quick reloads; plus one handle that fits either cutter and one brass bore pilot. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

Safety Instruction Guide for BRASS ONE CALIBER SET

Introduction

Thank you for choosing the BRASS ONE CALIBER SET for .257 Muzzle. This guide is designed to provide you with essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before using the product to minimize risks and ensure proper handling.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this manual.
- Inspect the product for any visible damage before each use. Do not use if damaged.
- Ensure a clean and organized workspace to avoid accidents.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the product.
- Be aware of your surroundings and ensure no one is in close proximity while operating the product.

Specific Safety Precautions for Use

- **Handling Cutters:**
 - Always handle cutters with care. The edges are sharp and can cause injuries.
 - Store cutters in a safe place when not in use to prevent accidental injury.
- **Using the Handle:**
 - Ensure the handle is securely attached to the cutter before use.
 - Do not apply excessive force when using the cutter to avoid breakage or injury.
- **Pilot Alignment:**
 - Use the interchangeable pilot to keep the cutter properly aligned.
 - Ensure the pilot is securely fitted before starting any work.
- **General Use:**
 - Always cut in a controlled manner to avoid slips.
 - Do not attempt to modify or alter the product in any way.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Ensure you have a clean, welllit workspace.

2. Attaching the Cutter:

- Select the appropriate cutter (90° facing cutter or 45° chamfering cutter) based on your needs.
- Attach the cutter to the handle securely. Ensure it is fastened tightly to prevent loosening during

use.

3. Using the Cutter:

- Position the cutter at the desired angle against the muzzle or cylinder mouth.
- Apply gentle pressure and rotate the cutter to achieve a clean cut.
- For chamfering, ensure that the cutter edges break the rifling evenly for optimal bullet exit.

4. Switching Cutters:

- To switch between cutters, detach the current cutter from the handle and replace it with the desired cutter.
- Ensure the new cutter is securely attached before proceeding.

5. Using the Pilot:

- Insert the brass bore pilot into the muzzle or cylinder mouth.
- Ensure it is snugly fitted to maintain alignment during cutting.

Disposal Instructions

- Dispose of any damaged or wornout parts in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs that accept metal components.
- Ensure that all parts are cleaned before disposal to prevent environmental contamination.

Contact Information for Further Support

For any questions regarding product safety, usage, or support, please refer to the information provided by your retailer or distributor. Always ensure you have access to a knowledgeable contact for assistance with your BRASS ONE CALIBER SET.

By following these guidelines, you can ensure a safe and effective experience with your BRASS ONE CALIBER SET. Thank you for your attention to safety!
