

BRASS ONE CALIBER SET FOR .30 MUZZLE

[Gunsmith Tools & Supplies](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

Square Up & Chamfer Rifle and Handgun Muzzles P Brass Bore Pilot

Set includes: one, 90° facing cutter to square a muzzle after shortening, or repair damage; one, 45° chamfering cutter to break the edges of the rifling for a clean bullet exit or chamfer a revolver cylinder mouth for quick reloads; plus one handle that fits either cutter and one brass bore pilot. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

Safety Instruction Guide for BRASS ONE CALIBER SET

Introduction

Thank you for choosing the BRASS ONE CALIBER SET for .30 muzzle. This product is designed to help you square a muzzle, chamfer edges, and enhance your reloading process. To ensure your safety and the effective use of this tool, please read this safety instruction guide carefully.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Use the product only for its intended purpose.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using this tool.
- Ensure a clean and organized workspace to prevent accidents.
- Do not use the tool in wet or damp conditions.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:** Sharp edges on cutters can cause cuts or injuries. Improper handling may lead to accidents or damage to the product.
- **Avoiding Hazards:** Always handle cutters by the handle, avoiding contact with sharp edges. Ensure that the workpiece is securely clamped or held in place before cutting. Do not place fingers near the cutting area during operation. Be cautious of metal shavings produced during use; they can be sharp.
- **Age Specific Warnings:** This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

• Installation:

1. Select the appropriate cutter for your task (90° facing cutter or 45° chamfering cutter).
2. Attach the chosen cutter securely to the handle.
3. If using a pilot, insert it into the bore of the firearm or workpiece as needed.

• Usage:

1. Ensure that the workpiece is stable and secure.
2. Align the cutter with the muzzle or edge you wish to work on.
3. Apply steady pressure while turning the handle to engage the cutter.
4. Use the 90° cutter to square the muzzle or the 45° cutter to chamfer edges as required.
5. Periodically check the cutter for wear and replace if necessary.
6. Clean the area after use to remove any metal shavings or debris.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- If the product is damaged or no longer usable, recycle the materials where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BRASS ONE CALIBER SET, please reach out to your local distributor or consult the manufacturer's website for more information.

Thank you for prioritizing safety while using the BRASS ONE CALIBER SET. Enjoy your reloading experience!
