

BRASS ONE CALIBER SET FOR .44 MUZZLE

[Gunsmith Tools & Supplies](#) > [Barrel Tools](#) > [Barrel Chamfering Tool Kits](#)

Square Up & Chamfer Rifle and Handgun Muzzles P Brass Bore Pilot

Set includes: one, 90° facing cutter to square a muzzle after shortening, or repair damage; one, 45° chamfering cutter to break the edges of the rifling for a clean bullet exit or chamfer a revolver cylinder mouth for quick reloads; plus one handle that fits either cutter and one brass bore pilot. Interchangeable pilot keeps cutter properly aligned. Purchase extra pilots to use one cutter for many different calibers. Pilots for other calibers available separately.

Select one of the following for other rifle/handgun muzzles, cylinder facing & chamfering tools.

Safety Instruction Guide for BRASS ONE CALIBER SET

Introduction

Thank you for choosing the BRASS ONE CALIBER SET for .44 muzzle. This product is designed to assist in the maintenance and preparation of your firearm. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle firearms and related tools with care and responsibility.
- Ensure that the workspace is clean and free from distractions.
- Use protective eyewear when operating cutting tools.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the tools for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Cutting Tools:**
 - Use the cutters only for their intended purpose.
 - Do not apply excessive force when using the cutters to avoid breakage or injury.
- **Handle:**
 - Ensure the handle is securely attached to the cutter before use.
- **Pilot:**
 - Always check that the pilot is properly aligned with the cutter to prevent accidents.
- **Storage:**
 - Store the product in a secure location to prevent unauthorized access.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the workspace is welllit and organized.

2. Using the Facing Cutter:

- Attach the facing cutter to the handle.
- Align the cutter at a 90° angle to the muzzle.
- Gently rotate the cutter to square the muzzle. Do not force the cutter.

3. Using the Chamfer Cutter:

- Attach the chamfer cutter to the handle.
- Position the cutter at a 45° angle to the edge of the rifling.
- Rotate the cutter to break the edges for a clean exit. Avoid excessive pressure.

4. Changing the Pilot:

- Unscrew the cutter from the handle.
- Replace the pilot as needed for different calibers.

- Ensure the new pilot is securely fastened before reattaching the cutter.

5. **PostUse Care:**

- Clean the tools after use to remove debris and prevent corrosion.
- Store the BRASS ONE CALIBER SET in its polypropylene box to protect it from damage.

Disposal Instructions

- Dispose of any damaged or wornout components responsibly.
- Follow local regulations for the disposal of metal and plastic materials.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the product packaging for the relevant contact information.

This safety instruction guide is designed to ensure your safe and effective use of the BRASS ONE CALIBER SET. Please adhere to all guidelines and instructions provided to maintain a safe environment while using this product.
