Safety Instruction Guide for 90° Muzzle Facing Cutter & Brass Pilot

Introduction

Thank you for choosing the 90° Muzzle Facing Cutter & Brass Pilot. This product is designed to assist in squaring muzzles after shortening or repairing dings and damage. It is important to read and follow the safety instructions provided in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Always read the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the cutter and pilot for any signs of damage before each use.
- Use the product only for its intended purpose.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, while using the cutter.
- Ensure that your work area is clean, dry, and free from distractions.
- Do not use the cutter if you are tired or under the influence of substances that may impair your judgment.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The cutter has sharp edges that can cause cuts or injuries.
 - Improper use may result in damage to the firearm or personal injury.
- **Avoiding Hazards:**
 - Always handle the cutter with care and store it in a safe place when not in use.
 - Ensure that the pilot is securely attached to the cutter before use.
 - Do not force the cutter through the material; let the tool do the work.
 - Keep hands and other body parts away from the cutting area while in use.

Instructions for Installation and Usage

1. Installation:

- Select the appropriate pilot for the caliber you are working with.
- Insert the pilot into the cutter until it clicks into place, ensuring it is securely attached.

2. Usage:

- Position the cutter at a 90° angle to the muzzle of the firearm.
- Apply gentle pressure and rotate the cutter in a clockwise direction to square the muzzle.
- Check the progress frequently to avoid overcutting.
- After use, carefully remove the cutter and pilot from the firearm.

Disposal Instructions

- Dispose of any damaged or wornout parts in accordance with local waste management regulations.
- Do not dispose of the cutter or pilot in regular household waste.
- Consider recycling materials where applicable.

Contact Information for Further Support

For any questions or concerns regarding the use of the 90° Muzzle Facing Cutter & Brass Pilot, please refer to the product packaging for contact information or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective experience with your 90° Muzzle Facing Cutter & Brass Pilot. Thank you for your attention to safety!
