ACRAQUICK™ & ACRA20™ ACCESSORIES

BROWNELLS ACRAQUICK/ACRA20 50ML

APPLICATION GUN Safety Instructions

Introduction

Thank you for choosing the ACRAQUICK™ & ACRA20™ Accessories Applicator Gun. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this document carefully before using the applicator gun and its accessories.

General Safety Guidelines

- Always use the applicator gun in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure a wellventilated area when using the applicator gun to avoid inhalation of fumes.
- Do not use the product for purposes other than those specified by the manufacturer.
- Regularly inspect the applicator gun and accessories for damage before use. Do not use if damaged.
- Store the applicator gun and its accessories in a cool, dry place away from direct sunlight and heat sources.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, to avoid skin and eye contact with the product.
- Avoid direct inhalation of vapors or aerosols. If necessary, use a mask or respirator designed for organic vapors.
- Do not point the applicator gun at yourself or others while in use.
- Ensure that the mixing tips are securely attached before applying any product to prevent leaks.
- Clean the applicator gun and accessories after each use to prevent clogging and ensure longevity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the ACRAQUICK™ or ACRA20™ product, the applicator gun, and mixing tips.
- Ensure that your work area is clean and free from any unnecessary items.

2. Installation:

- Remove the cap from the ACRAQUICK™ or ACRA20™ container.
- Attach the mixing tip to the applicator gun by aligning it with the nozzle and twisting it securely.
- Insert the container into the applicator gun, ensuring it is locked in place.

3. Application:

- Squeeze the trigger gently to dispense the product. Start with small amounts to control the flow.
- Apply the product to the desired area, ensuring even coverage.
- If using multiple mixing tips, replace them as needed to maintain the quality of the application.

4. PostApplication:

- After use, detach the mixing tip and clean it thoroughly with an appropriate solvent.
- Store the applicator gun and accessories in a safe location.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not dispose of the product in household waste. Check for designated disposal sites or recycling programs.
- Ensure that all cleaning materials used are disposed of safely and responsibly.

Contact Information for Further Support

For any questions or concerns regarding the ACRAQUICK™ & ACRA20™ Applicator Gun, please refer to the manufacturer's website or customer support resources for guidance.

By following these safety instructions, you can ensure a safe and effective experience with your ACRAQUICK™ & ACRA20™ Applicator Gun. Thank you for your attention to these important guidelines.
