ACRAQUICK™ & ACRA20™ Accessories

Safety Instructions

Introduction

Thank you for choosing the ACRAQUICK™ & ACRA20™ Mixing Tips by Brownells. This product is designed to assist in the application of AcraBed. While using this product, it is essential to follow safety guidelines to ensure safe and effective use.

General Safety Guidelines

- Always read and follow the instructions provided in this guide before using the product.
- Ensure that the product is used in a wellventilated area to avoid inhalation of fumes.
- Keep the product out of reach of children and pets.
- Do not use the product for any purpose other than its intended use.
- Check for any visible damage to the product before use; do not use if damaged.
- In case of an emergency, follow appropriate first aid procedures and seek medical attention if necessary.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when using the mixing tips.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice.
- Do not ingest the product. If ingested, seek medical attention immediately.
- Ensure that the area is free of any ignition sources, as the product may be flammable.
- Do not mix with any other substances unless specified in the product instructions.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the ACRAQUICK™ or ACRA20™ applicator gun, and ensure you have a clean working area.

2. Attaching the Mixing Tip:

- Remove the cap from the mixing tip.
- Insert the mixing tip securely into the applicator gun until it clicks into place.

3. Mixing:

- Follow the mixing ratio instructions provided by the AcraBed product.
- Squeeze the trigger of the applicator gun to dispense the mixture as needed.

4. Application:

- Apply the mixed product to the desired surface using the mixing tip.
- Ensure even coverage and avoid overapplication.

5. PostUse:

- Remove the mixing tip from the applicator gun after use.
- Clean the applicator gun and mixing tip according to the manufacturer's instructions to ensure

longevity and proper function.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not dispose of the product in household waste. Check with your local waste management authority for proper disposal methods.
- Ensure that any leftover mixture is disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any inquiries regarding safety, product usage, or to report unsafe products, please contact your local authorities or visit the EU Safety Gate platform for updates on product recalls and safety alerts.

By following these safety instructions, you can ensure a safe and effective experience with ACRAQUICK™ & ACRA20™ Mixing Tips. Thank you for prioritizing safety in your use of our products.
