FRONT SIGHT PIGMENT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the FRONT SIGHT PIGMENT by BROWNELLS. This product is designed to enhance your sighting experience with its vivid yellow color. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always keep the product out of reach of children.
- Do not ingest the pigment. It is not a food product.
- Use the pigment only for its intended purpose as a sight insert.
- Store the product in a cool, dry place away from direct sunlight.
- Check the product regularly for any signs of damage or degradation before use.
- In case of contact with eyes or skin, rinse immediately with plenty of water and seek medical advice if irritation persists.

Specific Safety Precautions for Use

- Ensure that the area where you are using the pigment is wellventilated.
- Avoid inhaling dust or particles when handling the pigment.
- Wear protective gloves if you have sensitive skin or are prone to allergic reactions.
- Do not mix with other substances unless specified by the manufacturer.
- Dispose of any unused product according to local regulations.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure your workspace is clean and free of clutter.

2. Application:

- Open the .05 oz container carefully to avoid spillage.
- Using a small applicator or brush, apply the yellow pigment to the desired area of your sight insert.
- Allow the pigment to dry completely before using the sight.

3. Maintenance:

- Regularly check the sight insert for any wear or fading of the pigment.
- Reapply the pigment as needed to maintain visibility.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the pigment in household waste. Check for local hazardous waste collection points.
- Ensure that the container is completely empty before recycling or disposing of it.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the EUbased contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
