ACRAGLAS GEL MIXING STICKS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for purchasing the ACRAGLAS GEL MIXING STICKS from BROWNELLS. This guide provides essential safety instructions to ensure the safe use of the product. Please read this guide carefully before using the mixing sticks.

General Safety Guidelines

- Always use the mixing sticks in a wellventilated area to avoid inhaling fumes.
- Keep the mixing sticks out of reach of children and pets.
- Inspect the mixing sticks before use. Do not use if they are damaged or defective.
- Do not use the mixing sticks for any purpose other than intended use.
- If you experience any adverse reactions, discontinue use immediately and seek medical attention.

Specific Safety Precautions for Use

- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water.
- Do not eat or drink while using the mixing sticks.
- Use appropriate personal protective equipment (PPE), such as gloves and safety goggles, if necessary.
- Ensure that the work surface is clean and free of any contaminants before use.
- Store the mixing sticks in a cool, dry place away from direct sunlight.

Instructions for Installation and Usage

1. Prepare your workspace by ensuring it is clean and wellventilated.
2. Gather all necessary materials, including the ACRAGLAS Gel and any additional tools.
3. Take an ACRAGLAS GEL MIXING STICK from the pack.
4. Use the mixing stick to thoroughly mix the ACRAGLAS Gel according to the product instructions.
5. After mixing, dispose of the used mixing stick properly.

Disposal Instructions

- Dispose of used mixing sticks in accordance with local regulations.
- Do not dispose of mixing sticks in the household waste if they have been contaminated with hazardous materials.
- Check with local waste management authorities for specific disposal guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the ACRAGLAS GEL MIXING STICKS, please refer to the contact information provided on the product packaging or visit the manufacturer's website for assistance.

Thank you for ensuring safe practices while using the ACRAGLAS GEL MIXING STICKS. Your safety is our priority.
